TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS,
MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on Monday the 31st day of March, 1930, at 12 o'clock noon to act on Article 1 of this warrant; and to meet in said Town Hall on the same date at 7.30 o'clock P.M. then and there to act upon the remaining articles of this warrant.

The polls for the election of town officers will be opened at 12 o'clock noon and may be closed at 7.45 o'clock P.M.

ARTICLE 1. To bring in their votes for the following town officers, each to be designated and all to be voted for on one ballot, namely: —

- A moderator for a term of one year,
- One selectman for a term of three years,
- One member of the board of public welfare for a term of three years,
- One assessor for a term of three years,
- One member of the school committee for a term of three years,
- A treasurer and collector for a term of one year,
- An auditor for a term of one year,
- One library trustee for a term of three years,
- A library treasurer,
- One trustee of the Merriam Fund for the Silent Poor for a term of three years,
- One park commissioner for a term of three years,
- One cemetery commissioner for a term of three years,
- One member of the board of health for a term of three years,

Three measurers of lumber,
 One member of the board of commissioners of trust funds for a
 term of three years,
 Five members of the planning board,
 A tree warden.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To determine whether the town will appropriate the sum of \$300, or some other amount, and elect a director for demonstration work in agriculture and home economics, the money to be expended by, and the director to serve in co-operation with the Trustees for County Aid to Agriculture, under the provisions of Chapter 128 of the General Laws.

ARTICLE 4. To determine whether the town will vote to accept and allow as a public way a certain tract of land adjoining the Boston Post Road on the westerly side of Highland Street as shown on a plan by Rowland H. Barnes and Henry F. Beal dated March 11, 1930, on file in the office of the Town Clerk and as laid out by the Selectmen and set forth in their order.

ARTICLE 5. To determine whether the town will vote to authorize the Selectmen to enter into an agreement with the Commonwealth of Massachusetts, the Boston and Maine Railroad and/or the County of Middlesex or any one or more of them for the abolition of the grade crossing on the Boston Post Road at Stony Brook through the construction of a highway bridge; to appropriate money to carry out the terms of any such agreement and to authorize the issue of bonds or notes for a term not exceeding ten years for the payment of such share not exceeding \$10,000 as may fall upon the town under any such agreement.

ARTICLE 6. To determine whether the town will authorize the Selectmen to enter into an agreement with the Commonwealth of Massachusetts indemnifying the Commonwealth against loss or damage by reason of certain proposed land takings incident to a relocation of the Boston Post Road in said town.

ARTICLE 7. To determine whether the town will authorize the appointment of a committee to conduct an investigation of the plant and facilities now devoted to public education in the town and to report to the annual town meeting of 1931 what action, if any, should be taken by the town to acquire additional land, construct additional buildings, improve and enlarge the existing plant and facilities or to take any other action relative to the public schools of the town.

ARTICLE 8. To raise and appropriate, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the Selectmen or by the town officers or committees in their reports.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town, namely, at the town house, at the Kendal Green post office, and on the town bulletin board at the junction of South Avenue and Newton Street and Park Road seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this third day of March in the year of our Lord one thousand nine hundred and thirty.

HERBERT E. TYLER,
BENJAMIN LORING YOUNG,
BRENTON H. DICKSON, JR.,

Selectmen of the Town of Weston.

BRENTON H. DICKSON, JR.,
Town Clerk.

The large expense in 1929 was due in part to the special work necessary to keep safe for public travel that part of South Avenue which crosses the bad swamp near Brown Street. The condition of the road at that point has never been satisfactory. Settlement continues each year. In 1929, on the advice of the state engineers, the experiment of blasting with dynamite was tried in order to obtain at once as much settlement as would ordinarily take place over a period of years. The highway for two hundred yards in length disappeared under the waters of the swamp. The surface is not yet satisfactory and we anticipate that considerable work will have to be done for several years to come.

We believe the reconstruction of South Avenue should now be completed to the Charles River and we have inserted a budget item of \$15,000 which should be sufficient for this purpose, if, as we expect, the Town can secure contributions of equal amount from the Commonwealth and the County of Middlesex. From the Natick line to Cutter's Corner, we have recommended in past years a relocation at a width of sixty-six feet. We do not, however, propose to carry this width from Cutter's Corner to the River. The expense of land damages, blasting, and the building of retaining walls would mean very heavy expense — more than is justified at the present time. Our engineers advise us that by utilizing the existing width of fifty feet we can build a new thirty-foot roadway with ample space for sidewalks on each side. We believe the policy adopted on South Avenue during this five-year period is correct and that in the future the Town should expend approximately \$15,000 a year for permanent highway relocation and reconstruction. The expense of maintaining old roads is very high, running often to \$400 or \$500 a year. On the other hand, a well-constructed modern road, such as South Avenue now is for almost its entire length, can be maintained for a number of years at very small expense.

Petitions are now pending before the County Commissioners for the relocation of Summer Street, Highland Street in part, and Conant Road. Decrees for the relocation of Ridgeway Road and Summer Street have been entered and takings of land have been made but it is doubtful if the streets will be completed in accordance with the decrees in the immediate future.

Stony Brook Grade Crossing.

For many years the Selectmen have made attempts to bring about the abolition of the grade crossing on the Boston Post Road at Stony Brook. A petition was filed in the Superior Court about fifteen years ago but after hearings before a special commission the proposition had to be dropped on account of the outbreak of the World War and the embarrassed financial condition of the Boston & Maine Railroad at that time.

Various conferences with the Division of Highways of the Commonwealth and the Boston & Maine Railroad have now resulted in an informal agreement by which we expect the crossing to be eliminated this year by means of the construction of an overhead railroad bridge. The cost of this bridge and its approaches may run as high as \$175,000 and under the terms of the grade crossing statute the Superior Court might require the Town to bear as much as 10 per cent of the cost. We expect that the proposed agreement, however, will limit the Town's contribution to \$10,000, which we regard as most favorable. We have inserted an article in the Warrant under which a vote can be passed authorizing the Selectmen to make such an agreement on the part of the Town. We also suggest that this item of \$10,000 be borrowed through an issue of serial notes coming due \$1,000 each year for ten years. Current expenses are heavy and, although we firmly believe in the budget system and the pay-as-you-go policy, this special item of bridge construction seems a proper one to spread over a ten-year period.

Death of Andrew Fiske.

On January 26, 1930, occurred the death of Andrew Fiske. Mr. Fiske came of a family distinguished by devotion and valuable services rendered to the Town of Weston. From the days of the early settlements men and women bearing the name of Fiske have served the Town in public office and have served the State and Nation in time of war. Mr. Andrew Fiske himself lived up to this high tradition. He held many town offices, culminating his service with many years as Moderator, in which office he succeeded his brother, the late Charles H. Fiske. Suitable resolutions should be adopted by the Town at the Annual Town Meeting commemorating the life and services of this distinguished citizen.

Weston Awarded Medal by Massachusetts Horticultural Society.

During 1929 the Town was awarded a medal by the Massachusetts Horticultural Society for "raising the standard in the design and planting of town commons." The exact nature of the award is set forth in a letter received from the Society, reading in part as follows:

This is in answer to your letter of February 12 in regard to the medal awarded to the Town of Weston by this Society. As you probably know, 1929 was the Centennial anniversary of this Society, and a special medal was struck for award during that year. The Trustees voted to have 100 of these medals made. Individuals, hospitals, corporations, towns, garden clubs and organizations were considered before these awards were made, and finally a list was submitted to the Trustees at the meeting on December 16. The medals were awarded for different reasons, — some to gardeners for unusual skill, to teachers, professors, landscape architects, etc. The Trustees awarded the Centennial Silver Medal to the Town of Weston for "raising the standard in the design and planting of town commons. The common and the colonial town hall which overlooks it are considered models."

We hope the Town will always maintain the high standard not only of Town planning but of efficient municipal government which it has upheld for many years.

Massachusetts Tercentary.

The year 1930 will be commemorated as the Three Hundredth Anniversary of the foundation of the Massachusetts Bay Colony. The Town of Weston should co-operate in the official observance of this important event. We suggest that a vote be adopted at the Town Meeting authorizing the appointment of a committee to plan and supervise a proper observance by the Town and to co-operate with the official committee representing the Commonwealth. It should not be necessary to expend any large sum of money for this purpose and we believe the item of \$500, as recommended in the budget, should be sufficient. The Selectmen have already appointed an informal committee to make some plans but this committee should be given official sanction.

Town Finances.

The Town of Weston is in a sound financial condition with a surplus in the treasury amounting to \$28,374.20 on December 31, 1929. The tax rate for 1929 was \$19.50. This rate was the same as the rate for 1928, but represented a reduction from 1927 and 1926. In former years our rate was materially less, but with the growing expense of town government, particularly for highways and schools, we see no possibility of substantially reducing the rate. It is noteworthy, however, that only sixteen towns in the state had in 1929 a lower rate than Weston and the bulk of these towns were small communities west of the Connecticut River or on Cape Cod and Martha's Vineyard Island.

We hope that the voters will study with care the reports of the Auditor and Treasurer and will come to the Annual Town Meeting with full knowledge of the financial problems which now face the Town. The bulk of our revenue comes from local taxes and the collections in 1929 amounted to \$166,060.89. Motor vehicle excise taxes, which went into effect in 1929, produced revenue amounting to \$16,094.89. Due to mistakes of insurance brokers, a number of cars owned by Weston residents were assessed in Newton and Wellesley because of the fact that the applications for registration gave the owners' post office addresses as the place where the cars were customarily garaged. We recommend that every resident of Weston take particular care in connection with all applications for registration of motor vehicles so that the Town of Weston will obtain the full excise tax to which it is lawfully entitled.

Weston received from the state income tax \$29,343.82, an increase of more than \$5,000 from 1928. On account of business conditions, it is probable that the amount received from this source in 1930 will be somewhat reduced thus throwing an added burden on our local tax rate.

The outstanding indebtedness as of December 31, 1929, was \$88,000. This has since been increased by a new issue of \$100,000 water loan bonds to pay for the large development of the water system during 1929. The Town Treasurer showed excellent judgment in borrowing on short-time paper for several months and then refunding the notes in this large loan at a favorable rate.

The bonds are on a 4 per cent basis and were sold to Harris, Forbes & Co., Inc., the highest bidder, at \$100.32. This wise action of the Town Treasurer enabled the bonds to be floated at 4 per cent, whereas if the issue had been put out last summer, when money was first required to pay the bills, the rate would probably have been $4\frac{1}{4}$ per cent.

The several funds given by the late Horace S. Sears for various public uses in the Town continue to bring in a steady revenue, a constant reminder of the wonderful benefactions with which Mr. Sears endowed the Town.

The amount of work required in the Town offices has increased substantially and it will be necessary to employ a part-time assistant to work under the direction of the Clerk of Committees, Miss Mary R. Sheehan.

Substantial increases are found under the heading "Health and Sanitation." In the first place, Miss Haldane has been employed to act both as a school and district nurse at a salary of \$1,800 a year. The Weston Red Cross will provide one-third of the salary and will furnish her with an automobile and pay certain other expenses. In consideration of this the Red Cross will receive the fees which are charged in many cases. In theory, one-third, or \$600, should be charged to the School Department and one-third to the General Health Department, but our appropriation budget only treats this as one item. In view of the fact that the Red Cross paid all the expense for the last three months of 1929, Miss Haldane's employment having begun October 1, it seems fair for the Town to take this into consideration and pay all the expenses for the next six months. It has been suggested that the Red Cross may not go on with this agreement after next October, and that the Town should appropriate \$150 additional to take care of the last three months of 1930 in full. We believe, however, that the Red Cross will most certainly continue this arrangement and we are therefore not including any additional fund for that contingency.

The Health Department appropriations show a large increase. The Town has been faced with some serious cases of contagious disease, many of them contracted by persons not now living in Weston but who have under the laws of Massachusetts a settlement in Weston which compels this Town to pay the bills, even

although contracted by Boston or other municipalities. The outstanding bills of this nature are almost \$1,500. Additional bills of this nature for the coming year are estimated at \$750, and they will have to be paid.

A new item appears in the budget this year under the title of "Vocational Education." Several pupils from Weston attend the vocational schools of Waltham or Newton. Under chapter 74 of the General Laws, dealing with vocational education, residents of towns which do not maintain vocational schools may in the discretion of the Commissioner of Education be admitted to such a school in another city or town. The Commissioner fixes the tuition fee which the town of residence must pay, for one-half of which fee the town of residence is subsequently reimbursed by the Commonwealth. There are now four residents of Weston attending the Newton School at a tuition of \$245 apiece, and one at the Waltham School at a tuition of \$150. There may be others and it seems proper to appropriate \$1,500 for this particular purpose.

The improvement of the land adjoining the school playground has not yet been completed and it is estimated that an additional sum of \$5,000 will be required. The work having been begun, it should be pushed forward to final completion in order that the people of the Town may have the benefit of that land which Mr. Harry L. Bailey has been generous enough to give us for recreational purposes.

We call particular attention to the report of the Board of Water Commissioners. The appropriation of \$16,200 was sufficient to pay all running expenses and bond interest amounting to \$3,820. There still remains as of January 1, 1930, the following unexpended appropriations for extensions and improvements:

For extension of water mains on Webster Road, Viles Street and Conant Road	\$1,847.70
For extensions on School and Summer streets	18.26
For Water Department equipment	4,569.70
For the enlargements and extension of the system authorized by vote of the Town in 1929	52,077.52

Part of these balances will have to be used to meet bills already contracted. But it appears that the Water Commissioners will

still have available more than \$30,000 which can be borrowed for extensions if the Water Commissioners deem such course advisable during 1930.

During the year the Collector collected \$166,060.89, but taxes assessed during 1927, 1928 and 1929 still remain uncollected in the sum of \$35,014.48 as of January 1, 1930. This is too large a sum and we trust the Collector will take prompt action to call delinquent taxpayers to account.

There are some outstanding legal bills and litigation is expected during the coming year. Because of these facts we recommend a substantial increase in the appropriation for law.

In connection with the extension of the water system in 1929, twenty-nine new hydrants were installed. There are now one hundred four hydrants in the Town and it is probable that others will be installed during the coming year. An increase in that appropriation item is therefore required.

Boston Post Road.

During the year the Selectmen have had many conferences with representatives of the State Division of Highways with regard to the improvement of the Boston Post Road. We are informed that the Commonwealth proposes to construct a by-pass around the thickly settled section of the Town, running from the corner of Wellesley Street to a point just beyond Highland Street. It is anticipated that the Commonwealth will take the necessary land for the new state highway and will start actual construction within two years. It will be necessary for the Town to indemnify the Commonwealth against land damages and we have inserted an appropriate article in the Warrant so that the vote can be passed authorizing the Selectmen to sign an agreement to that effect. We believe the people of the Town would welcome a relocation of the Boston Post Road and that both local and through traffic would benefit from the new highway. No further immediate action will be required of the Town except the acquisition by purchase or by eminent domain of a small triangle of land lying to the west of Highland Street and now under process of development as Irvington Court. This small parcel will be required when the by-pass is constructed and it is certainly wise to acquire it

at the present time before any houses are constructed. If the purchase cannot be made by agreement, the Selectmen will take the parcel in question and submit the taking to the Town for approval at the Annual Town Meeting under an appropriate article in the Warrant.

The budget of appropriations recommended by the Selectmen has been submitted to the Finance Committee as required by the By-Laws of the Town.

During the year a Ford coach was purchased for the use of the Department at a cost of \$609. The necessary car hire for transportation of prisoners, for investigating, and such times as the weather makes the use of motor cycles impossible, would have greatly exceeded the cost of the car. During the seven and a half months we have had the automobile it was driven approximately 14,000 miles, which at the usual rate of 10 cents per mile would have cost \$1,400. The saving will be even greater another

year, as we will have the benefit of the allowance made on it when traded in.

There have been a number of house breaks, particularly in dwellings which were vacant for short periods. It will help greatly if residents whose homes are to be vacant will notify the police; it is even more important that they notify the Department of strange or suspicious persons, and particularly those soliciting, canvassing or selling from house to house, so that the police may see to it that they are what they represent themselves to be.

For the ensuing year I recommend an appropriation of \$11,000 to take care of increases in salaries for the officers, as they are all experienced men and should receive compensation comparable with men in surrounding communities.

J. SUMNER VILES,
Chief.

During the past year a considerable number of improvements and extensions have been made to the system. Not only has the program contained in the last Town Report been completed, but further additions have been made.

The following has been undertaken:

1. Approximately one acre of additional land adjacent to the Kendal Green Pumping Station has been purchased.

2. Eighteen additional wells have been driven at the Kendal Green plant, providing a total of thirty. It was the original intention to increase the number by only twelve.

3. A Triplex electrically driven pump of 500 gallons per minute capacity has been installed at the Kendal Green Pumping Station. It is for the present equipped to operate at the rate of about 300 gallons per minute, and by a simple change in the pulley ratio may at any time in the future be operated at its full rating.

The original proposal was the installation of a pump of 250 gallons per minute capacity.

A new switchboard and other equipment of the latest design has been added.

4. A kerosene heater of approved type has been installed in this station.

5. A 12-inch force main has been constructed from the Kendal Green Pumping Station through land owned by the Town to and under the tracks of the Massachusetts Central Division of the Boston & Maine Railroad; thence through land owned by Mr. Francis B. Sears, across Crescent Street through land owned by the

Estate of George S. Perry, to Boston Post Road; thence to Wellesley Street, and through Wellesley Street to Newton Street.

Provisions for numerous future connections from this main have been included.

6. An 8-inch main has been constructed from the end of the main in North Avenue which runs to Merriam Street, and thence in Merriam Street to and under the tracks of the Fitchburg Division of the Boston & Maine Railroad.

7. This 8-inch main has been continued in Merriam Street to a point beyond the junction of Silver Hill Road, and 6-inch mains have been connected thereto and have been run for the entire length of Silver Hill and Westland Roads.

The 8-inch main in Merriam Street has been extended about 250 feet further than was originally planned.

8. Deposit was removed from the mains in North Avenue and Church Street. The amount of money as estimated for this work permitted also of the cleaning of the main from the Reservoir to the Warren Avenue Pumping Station, the main in Boston Post Road from Highland Street to Church Street, and the main from the Kendal Green Pumping Station to Church Street. A badly tuberculated condition was found, and a very large amount of deposit was removed. An old bicycle tire was taken from the main near the Warren Avenue Pumping Station. Apparently this had been in the pipe ever since it was laid, over thirty years ago. The cleaning of these mains was extremely successful, and has brought beneficial results in lower friction loss and greater capacity.

9. Several new valves have been installed in the old mains. These will prove of distinct value in the maintenance of the system.

10. The 6-inch main in Lexington Street has been extended for about 1,845 feet.

11. A 6-inch main connected to the main in Boston Post Road has been installed through Golden Ball Road, including its future extension, and is joined with the main in Chestnut Street. This improvement was not originally contemplated.

This main not only serves all of the residents in Golden Ball Road, but forms an important loop and reduces friction loss in the passage of water to and from the Reservoir.

12. Twenty-nine additional hydrants have been installed, and 55 house service connections have been made.

13. An automobile truck was purchased to replace one which had been in service for several years and which was badly worn out.

14. A careful investigation has been undertaken of the potential water supply in land adjacent to the Kendal Green Pumping Station. It has been determined that a plentiful quantity exists, but large percentages of iron were found at the location of several test wells. As the demand for water increases, it may at a later date be necessary to provide equipment for the removal of iron.

Under the present operating conditions the well field which now exists at Kendal Green yields a satisfactory supply respecting both quantity and quality. The average draft per well is about 10 gallons per minute. Many of these wells produced from 50 to 60 gallons per minute under test. The new pumping unit and this well field operating in conjunction with the Warren Avenue equipment should supply the demand for several years to come.

Cement-lined pipe has been used for the installation of all of the new mains described above. In the opinion of experts a much smaller rate of tuberculation is to be expected in pipes of this modern type.

The cost of the improvements and extensions undertaken during the past year is considerably less than was originally anticipated. This fact is particularly gratifying because very much more rock excavation was required for pipe line trenching than was expected, and because more extensive installations were made. Unusually fortunate competition was obtained from the bidders for the various portions of the work, which resulted in the placing of favorable contracts. At the Annual Town Meeting of last year it was voted to appropriate \$120,000 to be expended for improvements to the system, and at a subsequent meeting this amount was raised to \$136,000. The larger amount appeared to be required due to several proposed additional installations, one of which was later abandoned. The estimate for the latter was approximately \$9,000. Instead of procuring a bond issue for the full amount of the money which was authorized, it has become necessary only for the town to borrow \$100,000 to meet the total cost of the improvements and extensions which have been undertaken. Interest charges and the retirement of the principal of this loan will result in a considerable burden, and for several years at least a deficit will result. Guarantee of payment of the principal has been

secured, however, for several of the extensions, and the gross income derived from water consumption is constantly increasing.

The cleaning of mains described above was paid for by special appropriation.

While the work which has been completed has materially strengthened and improved the system, and whereas a larger number of citizens now derive the benefits of the service, yet much more is essential toward further improvement. The system is still inadequate for the evergrowing needs of the Town, and within a short time additional reservoir capacity should be acquired and many of the "dead ends" of the system should be connected to form loops. The latter is particularly essential for the proper servicing of the Silver Hill district. Further extensions should also be made in order that a greater area be included.

The 6-inch main in the Boston Post Road, from the corner of Wellesley Street to School Street, and the 6-inch main in Wellesley and Chestnut Streets, have been in operation for over twenty-five years, and have become badly tuberculated. These mains must convey most of the water delivered to the reservoir from the Kendal Green Pumping Station through the new 12-inch main, and we propose that they be cleaned. We desire to obtain a special appropriation for this purpose.

The efficient and untiring efforts of Mr. Carver, the superintendent of the system, have been of particular value during the past year.

EDWARD P. RIPLEY,
ARCHIBALD G. MONKS,
ABEL J. COLPITTS,
Board of Water Commissioners.

REPORT OF THE SUPERINTENDENT OF MOTH WORK.

TO THE BOARD OF SELECTMEN:

Gentlemen, — For several years past we have continued the policy of careful scouting to detect if possible any serious infestation of gypsy or brown-tail moths. This has been done as a protective measure, so that in the event of a colony getting established it could be stamped out before serious damage resulted.

At this time only scattered gypsy egg clusters have been found, and no winter nests of the brown-tail; also the satin moth, which a few years ago seemed to be increasing rapidly, was scarcely noticeable last summer. Incidentally, both Lincoln on our north and Wayland on our west had to resort to spraying to control outbreaks of the gypsy moth.

I feel it is wise to continue the present supervision, and recommend the usual appropriation of \$300.

Respectfully yours,

EDWARD P. RIPLEY.

REPORT OF THE TREE WARDEN.

TO THE BOARD OF SELECTMEN:

Dear Sirs, — A large part of the appropriation last year was expended on that part of South Avenue which was rebuilt during the summer, much damage having been done by the steam shovel. The trees on Highland Street and on Love Lane also were put in good condition.

Most of the urgent pruning has been taken care of, so now a planting program should be started.

I recommend that \$1,000 be appropriated for the year 1930.

BENJAMIN S. BLAKE,

Tree Warden.

REPORT OF THE SUPERINTENDENT OF STREETS.

TO THE BOARD OF SELECTMEN:

Gentlemen, — I respectfully submit herewith the annual report of the Highway Department for the year ending December 31, 1929:

There has been expended for the general maintenance and construction of highways, \$29,689.67, of which \$1,770.38 was used for the removal of snow and ice. The town has been reimbursed in the sum of \$151.95 for private work, material used, and use of steam roller.

We have stored at the crusher and in various parts of the Town, stone, sand, gravel and tarvia for use at some future time, the value of which is approximately \$2,000.

Maintenance Work.

With the increase of traffic from year to year the cost of maintaining our streets is of necessity more. The cost of replacing guard rails, street signs and traffic signals which are needlessly

destroyed by careless driving from day to day is no small item of expense. The work this year covers the streets as listed, and to each one has been given attention as it seemed best. It has been our aim to make all the improvements possible with the means at our disposal.

Bituminous Material.

There has been used on the streets this year approximately 70,000 gallons of oil and tarvia.

Sidewalk Work.

There has been expended during the year \$1,449.24. From this sum the sidewalk on Viles Street was resurfaced, also on Concord Road and North Avenue at Drabington Inn. In addition, the gravel walks in different sections of the town have been repaired as needed.

Snow and Ice.

There has been expended for the removal of snow and ice, \$1,770.38.

Machinery and Equipment.

There was expended during the year the sum of \$6,000. With this appropriation we purchased one new Mack truck which in every way has proven highly satisfactory. New wiring and motors were installed at the crusher plant, this work being compulsory by order of the Edison Electric Illuminating Company. The balance was used in the usual repairs and upkeep of all equipment. It will be necessary this year to build a new set of bins for the crusher, which will include new buckets, chains and screens, as the present equipment is worn out and unsafe to use. I am therefore asking for an increase in the appropriation for same.

Recommendations.

For the coming year I would make the following recommendations:

General maintenance	\$33,000
Sidewalks	1,500
Machinery accounts	4,500

Special Work.

The rebuilding of South Avenue with State and county aid, which began in 1926, was continued and completed to a point near Cutter's Corner. It is expected the work will be completed to the Newton line this year. There was expended for this work the sum of \$49,058.91. In addition to this sum there was drawn from the Highways — General Maintenance appropriation the sum of \$2,000.

I wish to express my appreciation to the men of the Department who have co-operated with me in carrying on the work.

Respectfully submitted,

AUGUSTUS M. UPHAM,
Superintendent of Streets.

REPORT OF THE SCHOOL COMMITTEE.

The School Committee respectfully submits the following report for the year ending December 31, 1929:

At the Annual Town Meeting held on March 25, 1929, Mr. Raymond W. Coburn was elected for a term of three years.

The Committee organized at its meeting held on April 2, 1929, electing Mrs. Carolyn E. Burrage, Chairman, and Charles O. Richardson, Secretary.

Eleven regular meetings and one special meeting were held during the calendar year.

At the regular meeting held on April 2, 1929, Mr. Carl T. Rhoades was appointed Superintendent of Schools and Principal of the High School for the ensuing year. Mr. Allan Cameron was appointed Custodian of Buildings and Grounds. Dr. Frese-nius Van Nuys was appointed School Physician.

At the meeting held on May 2, 1929, Mr. Harold Mosher was appointed Attendance Officer, and it was also arranged that he should take the school census. This census was taken as of October 1, 1929, and was as follows:

SCHOOL CENSUS, OCTOBER 1, 1929.

	AGES 3-5.		AGES 5-7.		AGES 7-14.		AGES 14-16.	
	Boys.	Girls.	Boys.	Girls.	Boys.	Girls.	Boys.	Girls.

Not in school .	33	36	6	4	—	—	—	—
Totals .	43	41	85	61	150	158	40	36

At the regular meeting held on April 2, 1929, in addition to the appointment of Mr. Rhoades, as stated above, Mr. Norman B. Nash was appointed submaster of the High School, and

the following teachers were appointed for the school year 1929-1930:

Miss Emma F. Ripley.	Miss Marian R. Perry.
Miss Constance E. Burrage.	Miss Rebecca McKenna.
Miss Helen B. Green.	Miss Emily F. Adams, and as
Mrs. Carl T. Rhoades.	Principal of the Primary School.
Mrs. Helen G. Hill.	Mrs. Virginia Morrissey.
Miss Laura M. K. Fisher.	Mrs. Georgiana Eldred.
Miss Hazel M. Staples, and - as	Miss Elizabeth R. Harmon.
Principal of the Grammar School.	Miss Ellen W. Packard.
Miss Mabel R. MacElhinney.	

In addition to the above, the following special teachers were appointed:

Drawing — Miss Sarah E. Jewett.
 Music — Mr. Adelbert H. Morse.
 Manual Training — Mr. Philip E. Perry.

At later meetings the following changes in the teaching staff were made:

On May 2, 1929, Miss Helen R. Miller was appointed a teacher.

On June 3, 1929, the resignation of Mrs. Rhoades was accepted, and Miss McKenna was granted leave of absence for one year.

On August 2, 1929, the resignation of Mr. Nash was accepted, and Mr. Conrad G. Coady was appointed submaster of the High School; also, on August 2 Miss Lucy Dodson was appointed as a teacher.

The Committee wishes to express to Mrs. Rhoades its appreciation of the services she has rendered to the schools for a number of years, and regrets that she did not feel that she could continue.

For the school year ending June 30, 1929, the average daily attendance was 406. The schools were in session 178 days.

The Committee has continued its policy of applying the income from the fund left to the Town by the late Horace S. Sears for the benefit of the teachers against the rental of the "Teachers' Lodge," Mr. Harry L. Baily having continued to make its use possible for this purpose.

Work on the playground and athletic field has continued during the past year, and there is now an area sufficient for a football

field graded and seeded. The Committee is recommending an appropriation of \$5,000 which will enable it to complete an additional area sufficient for two tennis courts, and give it equipment for the smaller children. The Committee believes that the Town is in sympathy with this development, and feels that it will greatly benefit the schools.

The skating rink which was placed on the playground a year ago was not replaced this fall for the reason that the grounds had just been seeded and it seemed desirable that there should be no possibility of injury to the surface.

The Committee also wishes to extend its thanks to the Misses Case for permitting the surface drainage from School Street and Maple Road, which for many years has run on to the playground, to be diverted across School Street on to their property. This has greatly benefited the conditions under which the new playground is being developed.

During the year, in co-operation with the Weston Chapter of the American Red Cross and the Board of Health, the services of a graduate nurse have been obtained to act as the school nurse as required by statute, and also to serve as district nurse in the Town. This cannot fail to be of much benefit to the Town as a whole.

Also, through the co-operation of the Women's Community League, and largely by its efforts, which are fully appreciated by the Committee, equipment has been installed and arrangements made for the serving of hot lunches at a nominal cost to the scholars. This action was taken after a canvas as to the demand for such lunches, which demonstrated that they were greatly desired, and this action, therefore, will doubtless have the approval of the Town.

Owing to the crowded condition of the schools and the increased attendance during the last ten years, as pointed out by the Superintendent of Schools, the Committee has recommended to the Board of Selectmen the appointment of a special committee to make a study of the entire situation, particularly as affected by the present buildings; that this committee be instructed to submit a report at the Annual Town Meeting in 1931; and it is hoped that favorable action will be taken on this recommendation.

Details of the work that is being done in the schools will be found in the report of the Superintendent of Schools, and those of the special teachers, which follow.

Respectfully submitted,

CAROLYN E. BURRAGE,
RAYMOND W. COBURN,
CHARLES O. RICHARDSON,
School Committee, Town of Weston.

SUPERINTENDENT'S REPORT.

JANUARY 18, 1930.

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE, WESTON, MASS.:

Dear Madam,—I submit herewith my report for the year ending December 31, 1929.

TEACHING STAFF.

The success of any school system depends in the last analysis upon its teachers. The finest school plant is of little value if the teachers are not competent and devoted to their work. Statistics show that the teachers of Weston have had considerably more training and experience than the average for the State. Our teachers as a whole are well qualified, conscientious and industrious. The salaries paid at present compare favorably with those paid in other towns in the State. This fact, combined with the good living conditions made possible by the Teachers' Lodge, has enabled us to retain good teachers for long periods of service.

GROWTH AND NEEDS.

The average membership of the schools for the year 1919 was 353. The average membership this fall has been 473, an increase of 120, or about 33½ per cent in ten years. Our buildings are inadequate now and will doubtless be more so next year. Besides more rooms for both High School and grades, I feel that we should have a gymnasium, in order to give a real course in Physical Education from the first grade through the high school. The new playground when completed will be a fine addition to our school plant. While out-of-door exercise is superior to that taken indoors, our climate is such that we need a place for indoor games and exercises in order to develop children physically and promote good health.

TUITION PUPILS.

We now have twenty pupils in our schools who come daily from Lincoln, Natick, Sudbury and Wayland. Twelve of these are in the High School and eight in the grades, with not more than two in any one grade. Several others have applied for admission this fall, but have been refused, owing to the crowded condition of the grade they desired to enter. I have not felt that children who have been in our schools several years should be excluded, even when the grade was somewhat too large.

SCHOOL WORK.

Teachers are instructed to proceed on the assumption that parents wish their children to do real work at school, and that pressure be brought to bear to accomplish this whenever necessary. When a teacher has forty or more pupils in a grade it is difficult to take into account the individual characteristics of a child, as may be done in a class with fewer pupils. Our teachers put in many hours of work with pupils after the regular school hours, but our transportation system makes it difficult to do this with many of the children. I consider our discipline very good, as in fact, it must be, to teach large classes successfully.

The courses and programs of study have been carried on with practically no change from those of recent years, and we are endeavoring to maintain the high standards that have made the Weston schools so favorably known.

SCHOLARSHIPS AND PRIZES.

The Charles J. Paine scholarship was not awarded this year, as there was no candidate wishing to enter the Massachusetts Institute of Technology or Harvard.

The Horace S. Sears scholarship was awarded in five portions to the following boys:

LUIS OROZCO, sophomore at Massachusetts Institute of Technology.
 LINCOLN SMITH, sophomore at Northeastern School of Engineering.
 WINFORD SCHOFIELD, sophomore at Northeastern School of Engineering.
 JOHN LINGLEY, sophomore at Northeastern School of Engineering.
 JOHN PEAR, freshman at Tufts College.

The Women's Community League Scholarship, for a girl taking training beyond high school, was awarded to Mary Martin, who is training at the Newton Hospital.

Prizes from the Horace S. Sears Fund were awarded as follows:

1. Essays on "Interdependence of Capital and Labor:"

First prize, STEVEN SELLARS.
 Second prize, CARL HOPKINS.
 Third prize, RUTH COOPER.

2. For excellence in arithmetic tests:

Girls.

First prize, SYLVIA SMITH.
 Second prize, ELLA KINGSBURY.
 Third prize, HELEN ELDRED.

Boys.

First prize, ROLAND RAND, Jr.
 Second prize, CARL HOPKINS.
 Third prize, JOSEPH BENOTTI.

Miss Case again generously awarded to our pupils prizes totaling \$180. The subject this year was "Trees of Weston." The list of prize winners follows:

Grade XII. First, GEORGE FUNDERBURK.
 Second, MURIEL VITTUM.
 EUNICE BASSETT.
 Third, RUTH COOPER.
 SYLVIA SMITH.
 LORRAINE PERKINS.
 REYNOLD BROWN.

Grade XI.	First,	HARRY JONES.
	Second,	DOROTHY CRAFTS. MARION THEALL.
	Third,	BRADFORD CHAMPION. WILLIAM MURRAY. RACHEL JOHNSON. CONSTANCE MURPHY.
Grade X.	First,	EDWARD BASSETT.
	Second,	MARION TEBO. GLADYS CLARKE.
	Third,	MADELINE BULLARD. ADELINE PEAR. GLENA ZOLLER. ROBERT BLANCHARD.
Grade IX.	First,	CARL SMITH.
	Second,	DOROTHY ACKERSON. MARIE CHEESMAN.
	Third,	EDMUND MEZITT. HELEN BENOTTI. ROGER KENNEY. CONSTANCE RUSSELL.
Grade VIII.	First,	AUDREY BILL.
	Second,	MARION JONES. VYVYIAN WILLIAMS.
	Third,	EARLE MACLEOD. JANET WILSON. ALICE CHILDS. BARBARA CAMPBELL.
Grade VII.	First,	MOLLIE MCILWRAITH.
	Second,	WILLIAM BAILEY. FRANK WOODS.
	Third,	VIRGINIA ORDE. BEDA SWENSON. PHILIP QUINN. FRANCES RILEY.

I am submitting with this report the programs of the school play and of the graduating exercises of the class of 1929.

I wish to express my appreciation for the co-operation and support received this year from the School Committee, parents and teachers.

Sincerely yours,

CARL T. RHOADES.

MUSIC.

DECEMBER 31, 1929.

MR. CARL T. RHOADES, SUPERINTENDENT OF SCHOOLS, WESTON, MASS.:

Dear Mr. Rhoades,— This year an advance has been made in the music program of the High School by the forming of glee clubs, which has been possible by using part of the general assembly period and the noon recess period on a later day. For the first time in the history of the school an elective and credited course in choral music has been offered. That one-half of the school registered in this course demonstrates both the interest in and the need for such a course. Gilbert and Sullivan's operetta, "A Trial by Jury," has been studied, and will be given a public performance at the Mid-Year Declamations.

The orchestra has been given a period in school hours, which makes regular attendance and credit practicable. "*Carthago delenda est.*" I again stress the need of an instrumental program in our schools. With this year's gradu-

ation our most efficient instrumental resources are gone. Here is an educational opportunity the value and importance of which has ample demonstration in all the major school systems of Greater Boston.

The new piano which the Committee has placed in the High School auditorium has added a great deal to the enjoyment of all music activities. We all appreciate it very much, and thank the Committee for its generosity in giving us this fine instrument.

Thanking both the teachers and the Committee for their appreciation and support of the Music Department, I am

Yours respectfully,

ADELBERT H. MORSE,
Supervisor of Music.

MANUAL TRAINING.

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE:

The classes in manual training are busily at work on their various projects.

Wood is a wonderful medium with which to express an idea from the varied nature of its composition.

It is soft or hard, brittle or tough, and of an endless variety of tint and grain.

I am endeavoring to impress upon the boys what a pleasure as well as profit a fair knowledge of tools may bring them in maturer years.

It always seems a matter of great surprise to the occasional inquirer to learn that there are boys who do not care for constructive work.

We always have a certain number of pupils who do not care for anything connected with the schools, but there are really a few boys who are frankly bored by mechanical work of any kind, who, on the other hand, may be above the average in academic pursuits.

While both present a problem to my Department, one can always be sure of a polite interest from the latter class.

But the majority of boys are genuinely interested in making something, as is shown by the concrete results of their work.

The Mechanical Drawing class is doing very good work, and all seem to enjoy the problems to be worked out.

It is a subject that fits very closely into our daily life in many unnoticed ways.

May I acknowledge here the helpful attitude of all with whom I am associated in the school.

PHILIP E. PERRY,
Instructor of Manual Training.

DRAWING.

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE, WESTON, MASS.:

I am glad to report that the work in Drawing and Manual Art has been most satisfactory.

Parents' Day is the best test of the work, for on that day the teachers try to give in the exhibition a clear idea of the outline of work, from the first

grade to the High School. Starting in the fall term with the study of color and the drawing of fall flowers with a little design and printing, the study of form from a point, through lines, angles, plane figures, to the solids, they come to the making of Christmas gifts.

The winter term is the time devoted to pictorial drawing, and the work consists of working directly from the object as well as from memory and the printed illustration.

The spring term brings the nature study, — the study of trees, botanical work and planning of gardens and design.

Each holiday brings its own special drawing, and in this work the pupils show their individuality, as they are asked to design their own pictures.

The sketching from the window of fall and winter and spring scenes has been excellent. The best work each week is placed on the bulletin board, and it is a pleasure to examine the work.

The work in the High School is the best I can do under the conditions that the pupils have to work. This year we have had the added interference of the special music, and some of the pupils have only ten minutes, which is altogether too short for excellent work.

The posters have been of good quality and covered the subjects of Education, Fire Prevention, Safety First, Health and Book Week. The Massachusetts S. P. C. A. sent Mary Rand a medal for her poster. I am always glad to have this outside work, and only hope more pupils will enter posters for the 1930 contest which closes April 1.

It gives me pleasure to know that two of my former pupils are students at the Museum of Fine Arts in Boston. One of the senior class is taking the Saturday work at the Museum.

The conference with the Primary and Grammar Schools has continued, and I still visit the North School, although I find only twelve pupils.

I thank the teachers for their co-operation in making the work in drawing so full of practical help, and the School Committee for all the supplies I have ordered.

REPORT OF THE SCHOOL PHYSICIAN.

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE:

The more interesting details of the school health work are incorporated in the report of the Board of Health.

The Monday morning inspection of every pupil continues as in previous years. The routine physical examinations will be all finished probably by February 1.

Respectfully,

F. VAN NUYS, M.D.,
School Physician.

REPORT OF THE SWIMMING POOL COMMITTEE.

FEBRUARY 3, 1930.

TO THE BOARD OF SELECTMEN, TOWN OF WESTON, MASS.:

The Committee is pleased to report that another successful season, under the supervision of Mr. George Guyette, has been completed.

Several major repairs will be needed if the pool is to be kept in operation after the coming season. The pool has been operated as economically as possible, and it is recommended that \$1,800 be appropriated for the coming season.

DECEMBER 30, 1929.

TO THE SWIMMING POOL COMMITTEE, TOWN OF WESTON, MASS.:

The swimming season of 1929, on the whole, has been very successful, and the record shows the following have passed the Red Cross Beginner's Test:

Boys.

Robert Acres.	Philip Cutler.
Philip Hamlin.	George Reis.
Louis Comeau.	Donald Coupe.
Clifford Cooper.	Edwin Mezitt.
Herbert Tebo.	Stuart Tebo.
Richard Travis.	Royal Whiting.
Charles Poutas.	William Funderburk.
Eugene Poutas.	Harold Lingley.
Paul Travis.	Harry Cann.
Edward Veno.	James Pendar.
William MacDonald.	David Starmer.
Richard Sibley.	Jay Schofield.
John MacDonald.	Thomas Bassett, Jr.
Roland Mundeau.	James Rafuse.
Arthur Delaney.	George Pierce.
Warren Martin.	Theodore Phelan.

Girls.

Beatrice Murphy.	Cornelia Curtis.
Lucile Barker.	Laura Van Huysen.
Anne Palmer.	Katharine Dewey.
Molly MacIlwraith.	Beatrice Chaplin.
Patricia MacLean.	Emily Olsen.
Helen Jacobs.	Elanor Travis.
Thelma Sibley.	Grace Clark.
Phyllis Travis.	Barbara Bowker.
Joan Wilson.	Barbara Chaplin.
Marion Jones.	Betty Billings.
Katherine MacDonald.	Grace Murchison.
Helen Rand.	Ruth Funderburk.
Barbara Dewey.	Helen DeLong.

The following passed the Red Cross Swimmer's Test:

Boys.

Robert Acres.	Paul Travis.
Philip Hamlin.	George Reis.
Richard Travis.	Donald Coupe.
Harold Lingley.	William Funderburk.
David Starmer.	Harry Cann.
Theodore Phelan.	James Rafuse.
Philip Cutler.	

Girls.

Anne Palmer.	Cornelia Curtis.
Elanor Travis.	Thelma Sibley.
Phyllis Travis.	Grace Clark.
Barbara Chaplin.	Katherine Macdonald.
Betty Billings.	Helen Rand.
Grace Murchison.	Ruth Funderburk.
Helen DeLong.	

The following passed the Red Cross Junior Life-saving Test:

Boys.

Norbert Benotti.	Robert Hopkins.
Earl McLeod.	Brenton Schofield.

Girls.

Ruth Martin.	Natalie Gilley.
Phyllis Travis.	Helen Shaw.
Georgietta Johnson.	Frances Riley.
Barbara Chaplin.	Grace Clark.
Barbara Campbell.	

The following passed the Red Cross Senior Life-saving Test:

Boys.

Donald Henderson.
Alden Henderson.

Theodore Lingley.

Girls.

Thelma Sibley.
Marjorie Morton.

Marguerita Howe.

Due to camp and Boy Scout activities, a good many of the boys were absent for three or four weeks, and for this reason more of the girls passed the Junior Life-saving Test than boys.

Both the girls and boys who attended sessions co-operated with me, and I am happy to report that there were no accidents.

An effort was made to interest the children to compete in swimming races, and for the first time handicapping was introduced which stimulated the interests of the poorer swimmers. A number of small children learned to swim the width of the tank, and next year it is hoped that they will be able to pass either the Red Cross Beginner's or Swimmer's Tests.

The outstanding event of the year was the exhibition in which there were more entries than during the past few years. To arrange for handicap racing, it was necessary to take time trials of each individual. The candidate was put on his honor in these trials, and, judging from the closeness of competition in the races in the exhibition, it is proven this confidence was well placed. There were races for every boy and girl to enter in the exhibition, and they could continue to compete until they had won a prize.

In the girls' exhibition the events were won, as follows:

Helen Jacobs	1-length swim
Frances Riley	2-length swim
Laura Mezitt	Medley relay
May Rand	1-length backstroke
Marjorie Mulock	1-length breaststroke
Emily Olson	}	Junior life-saving
Ruth Martin		
Phyllis Travis	Diving

In spite of a heavy rain there was great enthusiasm on the part of the spectators, and the events were topped off with a mock rescue act. The contestants wanted more competition, so that a candle race, spoon and egg race, and a hurry scurry race were impromptu additions.

The boys' exhibition, which followed the next day, took place on a nice sunny afternoon, and the results were as follows:

Herbert Tebo	1-width swim
Frank Sumner	1-length swim
Theodore Lingley	2-length swim
Earl McLeod	1-length backstroke
Tom Funderburk	Medley race
Robert Currie	Diving
Robert Hopkins	Junior life-saving

Instead of awarding four cups, as in the past, on a point system, the Pool Committee this year offered as prizes a bronze medal for the winner of each event.

At the request of the Committee for suggestions for improvements, I offer the following:

1. That the water under the bath house be removed by filling up the abandoned cellar hole.
2. That a bubbler drinking fountain be installed.
3. That new equipment for scrubbing out the pool be obtained.
4. That the shower baths be equipped with a temperature regulator.

The attendance at the Pool has been about the same as in the last few years: 1,784 girls and 1,470 boys. The sum of \$10.20 has been turned over to the Town Treasurer, which was collected from persons living outside of the Town from the 15 cent charge.

Respectfully submitted,

GEORGE GUYETTE.

REPORT OF THE PARK COMMISSIONERS.

The Park Commissioners submit the following report for the year ending December 31, 1929:

The Board organized by the election of Arthur L. Coburn as Chairman and Benjamin S. Blake as Secretary.

The Town Common and Soldiers' Field have been under the care of William J. Bartlett.

The Park Land bordering on Park Road has been turned over to the Metropolitan Park Commissioners, who assume the upkeep of said land.

During the year we have cultivated the small piece of land at the intersection of School and Wellesley streets.

Trees and shrubs were set out in the spring and the grass was kept cut during the summer.

A small plot of land bordering on Newton Street has been plowed and seeded down. In the spring a few trees and shrubs may be set out on this lot.

The expense of the work on these two lots of Town land has been paid from the income of the Horace S. Sears Fund for Setting Out and Caring for Trees and Shrubs.

We recommend an appropriation of \$1,000 for the ensuing year.

REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY.

The Trustees of the Weston Public Library submit their report for the calendar year of 1929, as follows:

The routine of the Library has continued its effective and inconspicuous course. The Trustees have been free to devote their time to the renovations and repairs mentioned in the last report, for which the Town in its annual meeting made special appropriation.

The Library has been painted both inside and out. The customary incidentals to such a repainting, — repair of window sashes and filling cracks in woodwork which have been opened by the weather, — were also done. Bids were received for the work, and the contract was given to the lowest bidder.

Such renewals of electric wiring and changes in electrical equipment were also made as seemed needful for increased safety from fire. The recommendations of the Town Inspector of Wiring, made after careful examination and conference with other wire inspectors, were followed by the Trustees, and very satisfactory results were thereby reached.

Twelve new chairs for the main reading room were purchased from the Massachusetts Department of Correction to replace broken and worn-out chairs. The equipment as a whole seems to us in good condition at present.

Mr. Sears' bequest has again been used for vacation expenses, and for help in sickness for the benefit of the Library staff. His appreciation of the Library is thus able to be continued.

The Trustees need to request of the Town this year only the usual sum of \$6,000 for administrative expenses.

Respectfully submitted,

LOUISA W. CASE,
CHARLES M. EATON,
G. M. PALMER, JR.,

Trustees of the Public Library.

J. H. CLARK.	G. M. UPHAM.	

The Department should have a new and larger pump at the Central Fire Station. The Selectmen received a letter from Charles W. Hubbard offering a site for a fire house on Ridgeway Road to house the smaller pump when we replace it. This section of the Town is growing, and I recommend that some steps be taken to give them additional protection.

REPORT OF THE SUPERVISOR OF HEALTH.

TO THE WESTON BOARD OF HEALTH:

Gentlemen, — I herewith submit my report as Supervisor of Health, acting under your direction, for the year 1929.

Diseases Dangerous to Public Health.

During the year a total of 113 communicable diseases were reported to the Board of Health. Table No. I gives the monthly incidence of the cases as reported, and the median for eleven years. Table No. II gives the same diseases over a ten-year period. This total number, it will be observed, is the highest for any year since 1920, except that of last year. This large total is explained chiefly by the unusual prevalence of influenza.

Diphtheria.

There were no cases of diphtheria reported during the year. We believe that this excellent record can be attributed largely to immunization work done in the schools by the Board of Health in co-operation with the School Physician. This fall a total of 63 children were given the Schick test, to show whether or not they were immune, and 85 certificates were issued to those found immune, together with the children who had been immunized previously but had not received a certificate. Seventy-four children were inoculated to immunize them against the disease, and will be retested next fall. The Board is pleased with the co-operation of the parents of children in consenting to this immunity treatment, and hopes that by another year all children entering public schools may be immunized.

Scarlet Fever.

Scarlet fever appeared in the community during the winter as it invariably does, there being a total of 20 cases reported. There were no fatal cases. This disease remains one in which it is very difficult to trace the source of infection. Most of the cases occurred in children in the public schools, but with one exception were so distributed that at the time of their appearance we could not be sure that one case was contracted from the previous one.

The exception was in a family of eight, where seven, including both parents, had mild cases of the disease when the first case came to the attention of the physician by accident.

Whooping Cough.

The only other disease that showed any epidemic tendency was whooping cough, there being a total of 15 cases reported, 12 of these in the months of January, February and March. There were no fatal cases.

Other Communicable Diseases.

There were no cases of typhoid fever reported, which continues the excellent record shown for this disease during the last ten years. Reports of chicken pox, measles, mumps, pneumonia, septic sore throat, tuberculosis and venereal diseases have been, on the whole, lower than in previous years, and the Town of Weston has enjoyed relative freedom from these diseases.

Dog Bites.

Four cases of dog bite were reported, one of these by a rabid animal. Rabies continues to be unusually prevalent in the environment of Greater Boston, and all cases of dog bite should be taken seriously by the victim. Although the vaccination of dogs against this disease is not a perfect preventative, still we believe it is of sufficient value to become a general practice.

Laboratory Analyses.

During the year the laboratory made 14 analyses:

Diphtheria cultures	5
Widal	1
Sputum — Tuberculosis	6
Gonorrhea	2
	<hr/> 14

Milk.

Weston has reason to be proud of its milk supply. Table III shows the results of the bacteriological and chemical analyses of the thirteen different milks which were sold in Weston during the year, and it will be seen from this table that all of the milks were uniformly of exceptionally satisfactory character. Five new distributors were issued permits during the year. Comparison

shows that of the milks that were analyzed the previous year, all but two showed improvement in bacterial count.

All of the milk now being sold in Weston is either pasteurized or comes from tuberculosis-free cattle. The Milk Inspector has inspected all of the dairies and has examined all pasteurizing equipment. The pasteurization of milk is further checked by a state inspector.

Comparison would show that there are few communities which have as good milk as the Town of Weston. A copy of the monthly reports of milk analyses is posted in the office of the Town Clerk for inspection.

Complaints.

There have been numerous complaints, all of which have been investigated and acted upon. A complaint was received regarding the sanitary conditions in and surrounding a five-tenement dwelling house. Inspection showed that the water supply was questionable, and that drainage and other sanitary conditions were badly in need of attention. Certain improvements were ordered and carried out.

It was discovered that workmen on the Fitchburg division of the Boston & Maine Railroad were menacing the watershed of the city of Cambridge. This was brought to the attention of the State Department of Health, and as a result the Boston & Maine adopted general sanitary regulations to be used in connection with all their construction work.

A complaint regarding the keeping of hogs without a permit was investigated and the owner ordered to remove his hogs.

Complaints regarding several dumps were investigated and conditions improved.

The Board has co-operated with the Plumbing Inspector in several instances, notably, in connection with the disposal of wastes at the Boston University Recreation Field.

Swimming Pool.

The community swimming pool was investigated and the water analyzed. The pool itself and the water were found to be in satisfactory condition, but the premises in and about the pool were found in an objectionable condition, notably, in connection with the breeding of mosquitoes. This condition was reported to the Selectmen.

Study of School Buildings.

At a request from the School Physician, a thorough study of the Central School Buildings was made in the fall. Consideration was given to such features as ventilation, lighting and heating, toilet and washing facilities, drinking fountains, and general features. A detailed report was submitted to the School Physician, and a copy of this report has been placed on file at the office of the Town Clerk and may be seen by any one interested.

Garbage Collection.

Throughout the year the Board of Health has been giving careful consideration to the problem of garbage collection in the Town of Weston. At the present time a resident has been given a permit to collect garbage in Weston, making his contract with individual householders in each case. The Board has consistently refused to issue any other permits. Although the Board of Health is not prepared to make any general recommendations regarding the collection of garbage at present, it is of the opinion that in the not distant future the Town may be obliged to provide for garbage collection by contract or in some other manner. Certain portions of the Town are growing rapidly, and sooner or later will demand such a community service.

Water Supply.

The public water supply has been analyzed occasionally during the year at the laboratory, and has been found to be of uniformly excellent quality. Numerous complaints have been received from the residents in the Glen Road district, who were supplied during the major part of the year by private wells, and during the dry summer season with Wellesley water through a private extension. We understand that the town of Wellesley is prepared to extend its system into Weston to supply this district if some reliable party or parties will contract to pay the cost of such installation beyond the Weston Town line, and be responsible for payment of water rates as recorded on a master meter. Such an extension is in our opinion desirable unless the Town of Weston has plans for extending its water supply in this district in the near future.

Respectfully submitted,

CURTIS M. HILLIARD,
Supervisor of Health.

REPORT OF THE PLUMBING INSPECTOR.

JANUARY 30, 1930.

BOARD OF HEALTH, WESTON, MASS.:

Gentlemen, — I herewith respectfully submit to you for your approval my report as Plumbing Inspector for the year 1929.

There were 49 permits issued for plumbing work. These included new and old buildings and alteration work. Of these, 26 were for new buildings and 23 were for alterations and old buildings.

The sum of \$88 was received for permits and the money paid to the Town Treasurer.

Under section 28 of the Building Laws the minimum requirements which the Inspector of Plumbing will approve for a septic tank is 150 feet of open tile in contributing drainage. The Inspector may require additional tile drainage to be installed in excess of the above minimum if the soil requires. Such drains shall be spaced not less than 10 feet apart. The drain shall not be closed until it has been inspected and approved by the Inspector of Plumbing.

Respectfully submitted,

ABEL J. COLPITTS.

REPORT OF THE TOWN PLANNING BOARD.

During the past year the Planning Board has continued with its study of future highway development in general, and has conferred with the Selectmen with regard to various questions that have arisen. In particular the Board, jointly with the boards of Wayland and Sudbury, has been working with the State Highway Commission on a proper location of the road to Worcester, to the end that Central Avenue from Wellesley Street westerly may be relieved of through traffic.

We recommend that the usual amount be appropriated for the ensuing year.

TOWN PLANNING BOARD,

FREDERICK H. NASH, *Chairman.*

MRS. STEPHEN S. FITZGERALD, *Secretary.*

HARRY L. BAILEY.

GEORGE W. BAILEY.

RAYMOND W. COBURN.

REPORT OF THE INSPECTOR OF BUILDINGS.

TO THE BOARD OF SELECTMEN:

Gentlemen, — The Inspector of Buildings respectfully submits the following report for the year ending December 31, 1929:

During the year 76 permits were issued, of which 20 were for new dwellings. Fees collected amounted to \$156, which have been paid to the Town Treasurer.

Estimated value of new dwellings	\$285,385.00
Stores	30,000.00
All others	103,785.00

FRANKLIN C. MULOCK,

Inspector of Buildings.

REPORT OF THE INSPECTOR OF WIRES.

TO THE BOARD OF SELECTMEN:

Gentlemen, — The Inspector of Wires respectfully submits the following report for the year ending December 31, 1929:

In May the Selectmen passed the following vote:

The Inspector of Wires is authorized and directed to charge the following fees:

For permits	\$0.50
For each extra trip on account of faulty work	1.00

One hundred and twelve permits were issued, 45 of which were issued before June 1. The fees collected on the 67 permits given after June 1 amounted to \$31.50.

FRANKLIN C. MULOCK,
Inspector of Wires.

REPORT OF THE MIDDLESEX COUNTY EXTENSION SERVICE.

In boys' and girls' 4-H club work a total of ten were enrolled in the clothing, garden, poultry and rabbit clubs. 4-H club work is just getting a start in the Town of Weston, and while the work was small this year, it is believed that enough interest has been developed so the work will increase from now on.

In the home economics work several home visits have been made, some on personal requests and others in an attempt to interest homemakers in developing projects similar to those carried on in the surrounding towns.

At the local fair an exhibit was staged showing some of the projects as developed by the Extension Service.

Individual farm visits were made where requested, assisting local farmers with individual problems.

County-wide meetings in poultry, fruit growing and market gardening have been available to the Weston people, and many attended the county picnic held during the summer at Wayside Inn, Sudbury, Mass.

JAMES B. CRONIN,
Director.

TOWN OF WESTON

RECORDS, 1929

TOWN RECORDS, 1929.

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX, SS.

At a meeting of the County Commissioners for the County of Middlesex, holden at Cambridge, within and for said County, on the first Tuesday of January, in the year of our Lord one thousand nine hundred and twenty-nine, the inhabitants of Weston, in said County, by their petition to said Commissioners — among other matters — pray that North Avenue, in said Weston, may be relocated and specifically repaired, as will more fully appear, reference being had to the petition filed of record in the case.

The petition was presented to the County Commissioners at their meeting holden at Lowell, within and for said County, on the first Tuesday of September, A.D. 1918, when and where notice was ordered given to all persons and corporations interested therein of the time and place when and where said Commissioners would meet for the purpose of viewing the premises and hearing the parties by their order of notice on file and of record will more fully appear.

And at a meeting holden at Cambridge on the first Tuesday of January A.D. 1923, said relocation was adjudged to be of common convenience and necessity and thence said petition has been continued to this time.

And now the said Commissioners make further return of their proceedings in the premises, as follows: said Commissioners having given notice as the law directs, met at the Court House in said Cambridge, on the 15th day of May, in the year nineteen hundred and twenty-three, when and where the parties appeared.

The premises having been examined, and the parties fully heard, said Commissioners proceeded to relocate portions of said highway and now define and make certain another portion of the boundary line of said highway on the southwesterly side, opposite the premises of one Foote and of one Finn, where said boundary is uncertain.

Said southwesterly line is defined as follows: Beginning at a point nearly in the present southwesterly line, on line with the

northwesterly side of the house of Maria V. Foote and distant 16.19 feet from the northwesterly corner of said house, thence said line runs northwesterly 193.2 feet to a point marked by a stake at the face of a stone wall at premises of John Finn and distant 50.3 feet from the wall on the northeasterly side of said highway.

The above description is intended to conform to a plan dated January 2, 1929, on which the above described line is shown in red. It is not intended to take any lands by this relocation.

No damages are awarded. Stone bounds shall be placed to mark the said described line.

The said town of Weston shall pay and is assessed to pay, all damages, costs and expenses which any party may by legal process obtain in consequence of this order.

IN WITNESS WHEREOF, WE, the said Commissioners have hereunto set our hands this second day of January in the year of our Lord one thousand nine hundred and twenty-nine.

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX, SS.

At a meeting of the County Commissioners for the County of Middlesex, holden at Cambridge, within and for said County, on the first Tuesday of January, in the year of our Lord one thousand nine hundred and twenty-nine.

In the matter of the relocation of Summer Street in the Town of Weston, in which proceeding the said Commissioners by their return dated June 12, 1928, established the location of said street, it appears that in the list of takings of land from abutting land owners, that an error was made in stating that on the easterly side of said street, that the Weston Real Estate Trust Parcel #5, about 4,750 sq. ft., was owned by said Trust and that said parcel in reality was owned at the time of said taking by Margaret D. Mansfield.

Said Commissioners do now correct said error so that the list of takings shall read "Margaret D. Mansfield, Parcel #5 about 4,750 sq. ft.," in place of "Weston Real Estate Trust, Parcel #5, about 4,750 sq. ft.

Said Commissioners in the list of estimates of damages, in view of the increased area of land which now appears to be taken from said Mansfield, do correct and amend said list of wards by substituting for "Margaret D. Mansfield, Eighty-five dollars, \$85.00," the words and figures "Margaret D. Mansfield, one hundred dollars, \$100.00."

In all other respects said return of June 12, 1928 remains unaltered.

IN WITNESS WHEREOF, WE the said County Commissioners have hereunto set our hands this nineteenth day of February in the year of our Lord one thousand nine hundred and twenty-nine.

Laying Out of Certain Roads in the Town of Weston.

We the undersigned, Selectmen of Weston, gave due notice of our intention to lay out the following roads: Dean Road, in part; Locust Road (formerly Laurel Road), Old Colony Road (formerly Westerly Road), in part; Pembroke Road (formerly Upland Road), such notice requiring all persons interested to appear before us at our rooms in the Town Hall on Monday, March 18, 1929, at 8 o'clock P.M., and caused such notice to be actually served according to law upon Charles W. Hubbard et als, trustees, Charles O. Bowker, Mrs. C. W. Knowles, Ralph F. Order, Mrs. James R. Zaneck, John Lawless, Jr., and to be sent by mail to Roger C. Bacon, Dana L. Chapman, Estate of Archibald Mac-

Gregor, Estate of F. A. Mazzur, J. H. Oakes, Reinhold Ruelberg, Everett M. Studley, Joseph E. Studley, Leslie O. Waite, W. W. Ward, Sumner H. Willis; being the only parties known to us from whom land is taken or who may be interested in the subject matter and gave notice to them and all other persons and corporations, if any, who may be interested in the subject matter, whose names are not known to us, by posting up a true and attested copy of such notice on the Bulletin Board in the Town Hall, being a public place in the town, seven days at least before the day appointed for the hearing.

Pursuant to such notice, we met at the time and place appointed for the hearing and heard the remarks and objections of all persons, if any, who desired to be heard and having viewed and examined the route of the said ways as hereinafter described, we do adjudge that common convenience and necessity require that the said ways should be laid out and they hereby are so laid out.

The land taken for said laying out is described as follows: On the lines of private ways shown on a plan entitled "Chiltern Hundreds" by Rowland H. Barnes and Henry F. Beal, dated August 1925, enlarged May, 1926, which plan is hereby approved by us, verified by our signatures and adopted as a part of this record.

Said ways are more particularly described as follows: Locust Road (shown on said plan as Laurel Road) by its southerly side line, beginning at a point on the town line of Wellesley and Weston where such line meets the southwesterly boundary of land now or formerly owned by Ruelberg; thence by varying courses in a general northeasterly direction to the junction of said way with Chiltern Road, as accepted and allowed by the Town of Weston, including at said junction all land not taken by the Town of Weston in laying out, accepting, and taking said Chiltern Road as a town way; thence in a northwesterly direction along the line of said junction approximately 50 feet; thence southwesterly by the northerly side line of said Locust Road by varying courses paralleling the courses of the side line first described to the junction of said way with Dean Road, as hereinafter described; thence along the line of said junction in a southerly direction approximately 50 feet to the point of beginning, the said northerly

side line of said way being parallel to and 50 feet from said southerly side line throughout its courses.

Dean Road by its westerly side line beginning at a point on the town line of Weston and Wellesley where such line meets the northeasterly boundary of property now or formerly owned by Orde; thence in a general northerly and northwesterly direction by varying courses to the junction of said way with Ridgeway Road, as accepted and allowed by the Town of Weston, including at said junction all land not taken by the Town of Weston in laying out, accepting, and taking said Ridgeway Road as a town way; thence northeasterly along the line of said junction approximately 50 feet; thence by the easterly side line of said Dean Road in a general southeasterly and southerly direction by varying courses to the junction of said way with Locust Road, as hereinbefore described, including at said junction all land not so included in the laying out of said Locust Road; thence along the line of said junction approximately 50 feet to the town line of Weston and Wellesley; thence along said town line to the point of beginning, said westerly side line being parallel to and 50 feet from said easterly side line throughout its courses.

Pembroke Road, shown on said plan as Upland Road, by its northerly side line beginning at a point on property now or formerly owned by Mazzur where said way joins Glen Road; as accepted and allowed by the Town of Weston; thence by varying courses easterly, northeasterly, southeasterly and northerly to the junction of said way with Old Colony Road (shown on said plan as Westerly Road); thence along the line of said junction approximately 50 feet to the southerly side line of said Pembroke Road; thence by varying courses southerly, southwesterly and westerly to the junction of said way with Glen Road, as accepted and allowed by the Town of Weston, including at said junction all land not taken by the Town of Weston in laying out, accepting and taking said Glen Road as a town way; thence along the line of said junction to the point of beginning, said southerly side line being parallel to and 50 feet from said northerly side line throughout its courses.

Old Colony Road, shown on said plan as Westerly Road, by its southerly side line beginning at a point on the northeasterly corner of property now or formerly owned by Lawless where said

way joins unto Pembroke Road, as hereinbefore described; thence along the line of said junction, and including at said junction all land not so included hereinbefore in laying out Pembroke Road, approximately 50 feet; thence by varying courses in a general southeasterly direction to the junction of said way with Ridgeway Road, as accepted and allowed by the Town of Weston, including at said junction all land not taken by the Town of Weston in laying out, accepting and taking said Ridgeway Road as a town way; thence along the line of said junction approximately 50 feet; thence by its northerly side line by varying courses in a northwesterly direction to a point opposite at approximately 50 feet from the junction of said way with the southerly side line of Pembroke Road, as hereinbefore laid out; thence diagonally across said Old Colony Road in a general southwesterly direction to the point of beginning, said northerly side line of said Old Colony Road parallel to and 50 feet from said southerly side line throughout its courses.

The owners of the land abutting upon the said ways and of the fee of the land over which the said ways are laid out, in consideration of the laying out and its acceptance by the Town, waive all claims to land, grade, or other damages.

The said plan and this record are this day filed by us in the office of the town clerk.

HERBERT E. TYLER,
B. LORING YOUNG,
BRENTON H. DICKSON, JR.,
Selectmen of Weston.

WESTON, March 18, 1929.

Received and filed with plan as stated.

BRENTON H. DICKSON, JR.,
Town Clerk.

WESTON, March 18, 1929.

We take an easement in the land so laid out for the purposes of town ways as follows:

Charles W. Hubbard <i>et als</i> , trustees	102,300 sq. ft.
Charles O. Bowker	3,100 sq. ft.
Mrs. C. W. Knowles	2,800 sq. ft.
Ralph M. Orde	2,000 sq. ft.
Mrs. James R. Zanck	3,650 sq. ft.
Roger C. Bacon	3,100 sq. ft.
Dana L. Chapman	2,500 sq. ft.
John Lawless, Jr.	3,100 sq. ft.
Estate of Archibald MacGregor	2,725 sq. ft.
Estate of F. A. Mazzur	8,260 sq. ft.
J. H. Oakes	4,000 sq. ft.
Reinhold Ruelberg	3,100 sq. ft.
Everett M. Studley	6,075 sq. ft.
Joseph E. Studley	2,750 sq. ft.
Leslie O. Waite	2,575 sq. ft.
W. W. Ward	2,375 sq. ft.
Sumner H. Willis	12,500 sq. ft.

Be all these measurements more or less.

The said ways so laid out are hereby reported to the town for acceptance, and when so accepted, allowed and recorded are to be called Locust Road, Dean Road, Pembroke Road and Old Colony Road, respectively.

AUBURNDALE, MASS., March 13, 1929.

BOARD OF SELECTMEN, TOWN OF WESTON, WESTON,
MASSACHUSETTS.

Dear Sirs: If the Selectmen of the town of Weston will take the appropriate steps to lay out as town or public ways Locust Road, Dean Road, Pembroke Road, and a part of Old Colony Road in the development known as "Chiltern Hundreds", and in accordance with a plan submitted by me to your Board, and if the town at any annual or special town meeting hereafter held duly accepts and allows said roads as town or public ways, I hereby agree to hold said town harmless from any land damages which might be claimed by myself, by Charles W. Hubbard *et als*, trustees, by the Dean Building Trust, and by any and all other persons having any interest, legal or equitable, in the real estate or easements in real

estate taken for said purposes, and I guarantee to pay over to the town on request of the town treasurer any sums for which the town may be held legally liable in this connection. It is understood that if any proceedings are actually begun by any persons claiming damages that no settlements shall be made by the town without my approval and that I shall have full opportunity to defend in court any such suits as are actually presented, such defence to be conducted at my expense but in the name and behalf of the town.

Yours very truly,

CHARLES W. HUBBARD *et als*,
Trustees,

Town Warrant.

COMMONWEALTH OF MASSACHUSETTS,

MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on Monday the 25th day of March, 1929, at 12 o'clock noon to act on Article 1 of this warrant; and to meet in said Town Hall on the same date at 7.30 o'clock P.M. then and there to act upon the remaining articles of this warrant.

The polls for the election of town officers will be opened at 12 o'clock noon and may be closed at 7.45 o'clock P.M.

ARTICLE 1. To bring in their votes for the following town

officers, each to be designated and all to be voted for on one ballot, namely: —

A moderator for a term of one year,
 A town clerk for a term of three years,
 One selectman for a term of three years,
 One member of the board of public welfare for a term of three years,
 One assessor for a term of three years,
 One member of the school committee for a term of three years,
 A treasurer and collector for a term of one year,
 An auditor for a term of one year,
 One library trustee for a term of three years,
 One library trustee to fill vacancy for a term of two years,
 A library treasurer,
 One trustee of the Merriam Fund for the Silent Poor for a term of three years,
 One park commissioner for a term of three years,
 One cemetery commissioner for a term of three years,
 One member of the board of health for a term of three years,
 Three measurers of lumber,
 One member of the board of commissioners of trust funds for a term of three years,
 One member of the board of water commissioners for a term of three years,
 Five members of the planning board,
 A tree warden.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To determine whether the town will appropriate the sum of \$300, or some other amount, and elect a director for demonstration work in agriculture and home economics, the money to be expended by, and the director to serve in co-operation with the Trustees for County Aid to Agriculture, under the provisions of Chapter 128 of the General Laws.

ARTICLE 4. To determine whether the town will vote to accept and allow as public ways certain roads known as Pembroke Road, Locust Road, Old Colony Road (in part) and Dean Road (in part) as shown on a plan by Rowland H. Barnes and Henry F.

Beal dated May 1926 on file in the office of the Town Clerk and as laid out by the Selectmen and set forth in their order.

ARTICLE 5. To determine whether the town will vote to accept Sections 21 to 28 inclusive of Chapter 136 of the General Laws of the Commonwealth relative to "certain sports and games permitted on the Lord's Day" or take any other action relative thereto.

ARTICLE 6. To determine whether the town will vote to alter, amend or rescind the vote adopted by the town on March 29, 1910, requiring the auditor to prepare and mail to every voter a quarterly financial statement.

ARTICLE 7. To determine whether the town will vote to transfer to the Metropolitan District Commission for care and control including police protection the Weston Park Land bounded by the Boston and Albany Railroad, Intervale Road and Park Road upon such terms as may be mutually agreed upon between the town acting through its appropriate officers and the Commission.

ARTICLE 8. To determine what action the town will take relative to the proposed relocation of the Boston Post Road from Wellesley Street to Highland Street, to authorize the Selectmen to continue negotiations with the Department of Public Works, to authorize the preparation of plans and estimates and to appropriate money for the purchase or acquisition of land and any other expenses in connection with the proposed relocation.

ARTICLE 9. To consider and act upon the report of the Board of Water Commissioners, to authorize the transfer of unexpended balances of appropriations for expenses heretofore authorized, to authorize the sale and conveyance of any land in the custody of the Board of Water Commissioners which in their opinion is no longer needed for public use, to authorize the acquisition of additional land and/or easements in land by eminent domain or otherwise, to appropriate money for extensions, alterations, improvements or additions to the water system, to raise, by borrowing or otherwise such funds as may be necessary to carry out all votes of the town under this article and to issue such bonds, notes or other evidences of indebtedness as may be necessary.

ARTICLE 10. To raise and appropriate, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and

especially to act upon all the appropriations asked for or proposed by the Selectmen or by the town officers or committees in their reports.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town, namely, at the town house, at the Kendal Green post office, and on the town bulletin board at the junction of South Avenue and Newton Street and Park Road seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this fourth day of March in the year of our Lord one thousand nine hundred and twenty-nine.

HERBERT E. TYLER,
BENJAMIN LORING YOUNG,
BRENTON H. DICKSON, JR.,

Selectmen of the Town of Weston.

Pursuant to the within warrant, I have notified and warned the inhabitants of the Town of Weston according to order.

J. SUMNER VILES,
Cons'table.

Annual Town Meeting, March 25, 1929.

In pursuance of the foregoing warrant, the inhabitants of the town qualified to vote in elections met in the Town Hall on Monday March 25, 1929, at 12 o'clock noon, and were called to order by Brenton H. Dickson, Jr., Town Clerk, who read the warrant calling said meeting and the return of the officer who served the same upon the inhabitants. There being a vacancy in the office of Moderator, B. Loring Young was chosen Moderator by written ballot with the use of the check-list.

The lower Town Hall had been fitted up as a polling place in conformity with the Laws of the Commonwealth. The cards of instruction, penalties to voters and specimen ballots were posted in accordance with the Laws of the Commonwealth.

The following election officers who had previously been appointed by the Selectmen were sworn by the Town Clerk to the faithful performance of their duties:

Ballot Clerks:

John A. Cain, Jr.
Alice E. Jones.

Election Officers:

John J. Cronin.
Grace H. Spaulding.

Tellers:

Josephine A. Rand.
Constance E. Burrage.
Emma F. Ripley.
Alice C. Cassidy.
John Harte.
Jeremiah Sliney.
Warren E. Vittum.
Clifford C. Cooper.

The ballot-box was publicly opened and shown to be empty. The register on the box was set at zero (0) and the box immediately thereafter locked and the keys thereto delivered to the Town Clerk.

A package of 1925 ballots was delivered to the ballot clerks by the Town Clerk who took their receipt therefor. The polls were then declared open.

Upon two occasions while the polls were open, the ballot-box was opened and ballots taken therefrom for counting, it being deemed advisable so to do in the unanimous judgment of the presiding Election Officer and the Town Clerk. The times of thus opening the ballot-box and the number of ballots taken therefrom were as follows:

6.40 P.M.	50 ballots
7.35 P.M.	50 ballots

At 7.47 o'clock P.M. the polls were declared closed.

The number of names checked on the voting lists used by the ballot-clerks and the election officers in charge of the reception of ballots was 177. The automatic register on the ballot-box read

177 and 177 ballots were taken therefrom. These ballots were counted and recorded and declaration thereof made in open Town Meeting by the Moderator and were for the following town officers:—

While the polls were open the ballot-box was in charge of John J. Cronin and the voting-list used in connection therewith was in charge of Grace H. Spaulding.

The votes were canvassed and counted by the tellers, and after record thereof had been made, the Moderator caused all ballots cast at the election, the tally sheets used in counting the votes and the voting lists used in the distribution and deposit of ballots publicly to be enclosed in envelopes, which were sealed and endorsed and certified in the manner required by law. The above mentioned envelopes together with the ballot-box and the seal were forthwith delivered to the Town Clerk.

Upon motion of Mr. Tyler it was *Voted*: That five persons be appointed by the Moderator to serve as a Memorial Day Committee with authority to expend upon the observance of said day the sum of two hundred seventy-five dollars (\$275) already appropriated for that purpose. The Moderator appointed William F. Howe, Edward P. Ripley, Carl T. Rhoades, Esther F. Morse and William J. Henderson.

Upon motion of Mr. Tyler it was *Voted*: That the sum of \$12,000 already appropriated for South Avenue under the heading "Highways and Bridges" shall be available for actual road construction work under a contract to be approved by the Department of Public Works of the Commonwealth and also for such expenses as may be approved by the Board of Selectmen in connection with moving walls, buildings or other structures and for payment of land damages.

Upon motion of Mr. Tyler, it was *Voted*: That of the money already appropriated the sum of twenty thousand dollars (\$20,000) be taken from any money in the treasury not otherwise appropriated.

Voted: That the money appropriated at this annual Town Meeting, not otherwise provided for, be assessed, after deducting the estimate of receipts for the ensuing year, upon the polls and estates taxable in this town and be collected as the town charges are usually assessed and collected as provided by law.

Voted: That the Town Treasurer with the approval of a majority of the Selectmen be and hereby is authorized to borrow from time to time in anticipation of the taxes and other estimated revenues of the town for the municipal year beginning January 1, 1929, to an amount not exceeding in the aggregate one hundred thousand dollars (\$100,000) and to issue a note or notes therefor, payable within one year; any debt or debts incurred under this vote to be paid from the taxes and other revenues of said municipal year.

Upon motion of Mr. Tyler it was *Voted*: That the sum of two hundred eighty (280) dollars be and hereby is transferred from the unexpended balance of the appropriation for extensions of water mains on Webster Road, Viles Street and Conant Road and is hereby made available for additional expenditures in connection with the extensions of water mains on School Street and Summer Street.

Upon motion of Mr. Tyler, it was *Voted*: That the salary of the Treasurer and Collector be and hereby is established at \$1,500 per annum dating from January 1, 1929.

Upon motion of Mr. Tyler, it was *Voted*: That the salary of the Auditor be and hereby is established at \$750 per annum to date from January 1, 1929.

Upon motion of Mr. Tyler, the following resolutions were adopted:

WHEREAS Patrick J. McAuliffe has tendered his resignation as Chief of Police and said resignation has been accepted by the Selectmen of the Town to take effect this day, THEREFORE

BE IT RESOLVED, That the voters of the Town in Town Meeting assembled hereby express their gratitude to Mr. McAuliffe for his long and faithful service. Chosen as Constable in 1901, Mr. McAuliffe was appointed Chief of Police in 1908 and has held

that important office for twenty-one years. Devoted to the interest and welfare of the Town, skillful in the detection and pursuit of crime, brave and relentless in the discharge of his duty, just and fair in all his dealings, Mr. McAuliffe has rightly earned high place not only in the hearts of the people of Weston but in the police annals of the Commonwealth, and

FURTHER RESOLVED, That a copy of these resolutions suitably engrossed be transmitted by the Town Clerk to Mr. McAuliffe as a slight token of the gratitude and good wishes of his fellow-citizens.

ARTICLE 3. Upon motion of Mr. Tyler, it was *Voted*: That James B. Cronin be and hereby is elected Director to serve in co-operation with the Trustees for Aid to Agriculture and Home Economics under the provisions of Chapter 128 of the General Laws.

ARTICLE 4. Upon motion of Mr. Tyler, it was *Voted*: To accept and allow as town ways Pembroke Road, Locust Road, Old Colony Road (in part) Dean Road (in part) as shown on a plan by Roland H. Barnes and Henry F. Beal dated May 1926 on file in the office of the Town Clerk and as laid out by the Selectmen and set forth in their order.

ARTICLE 5. Upon motion of Mr. Tyler, it was *Voted*: That the Town hereby accepts Sections 21 to 28 inclusive of Chapter 136 of the General Laws of the Commonwealth relative to "Certain Sports and Games Prohibited on the Lord's Day."

ARTICLE 6. Upon motion of Mr. Tyler, it was *Voted*: That the vote adopted by the Town on March 29, 1910, requiring the auditor to prepare and mail to every voter of the Town a quarterly financial statement be and hereby is rescinded.

ARTICLE 7. Upon motion of Mr. Tyler it was *Voted*: That the Selectmen with the approval of the Park Commissioners are hereby authorized to transfer to the Metropolitan District Commission under the provisions of Section 87 of Chapter 92 of the General Laws the Weston park land on Park Road bounded by Park Road, property now or formerly of Seaverns, the right of way of the Boston and Albany Railroad or property now or formerly of Hubbard and the northerly boundary of Intervale Road, for care and control including police protection by such Commission on such terms and conditions and for such period of time as may be agreed upon by the Selectmen with the approval of the Park

Commissioners and said Metropolitan District Commission; provided, however, that the Town reserves the right to revoke the authority granted by this vote and to repossess the complete title and ownership of such land on five years written notice to said Metropolitan District Commission.

ARTICLE 8. On motion of Mr. Raymond W. Coburn, it was *Voted*: That the proposal of the Department of Public Works of the Commonwealth to relocate the State Highway known as Boston Post Road from the corner of Wellesley Street to a point at or near the corner of Highland Street be and it hereby is approved by the Town; that the Selectmen be and hereby are authorized and requested to confer with the Department of Public Works and with the County Commissioners of Middlesex County relative to this proposed relocation, the plans and specifications of the work and the apportionment of the cost of the entire project including acquisition of land as between the Commonwealth, the County and the Town, the Selectmen being hereby authorized to expend for any and all purposes in this connection the sum of one thousand dollars (\$1,000) already appropriated in the budget; and that the Selectmen be and hereby are authorized and requested to submit to the Town at a special meeting to be held in the future detailed plans with estimates of cost together with other recommendations for future action by the Town.

ARTICLE 9. Upon motion of Mr. Ripley, it was *Voted*: That the Selectmen, upon written request of the Board of Water Commissioners, are hereby authorized to sell and convey a certain parcel of land on or near Warren Avenue, with an area of approximately one-half acre, on such terms and conditions as may be approved by the Selectmen and to execute and deliver a proper deed or deeds therefor, provided, however, that the Water Commissioners shall enter upon their records a detailed description of said parcel of land and a statement of their opinion that the same is not needed for water supply purposes.

Upon Mr. Ripley's motion, it was *Voted*: That the sum of \$5,000 be appropriated, to be raised in the tax levy of this year said sum to be expended in removing the deposits from the water mains on North Avenue and Church Street.

Upon motion of Mr. Ripley, it was *Voted*: That the sum of \$114,000 be and is hereby appropriated to be expended by the

Board of Water Commissioners for the following purposes, to wit:

For acquiring land and/or easements in land by eminent domain or otherwise;

For additional driven wells with the proper piping to the present pumping station;

For laying water mains of not less than six inches but less than sixteen inches in diameter;

and that the said sum of \$114,000 so appropriated be raised by the issue of bonds or notes of the town payable in accordance with Section 19, Chapter 44 of the General Laws as amended by section 2, Chapter 359 of the Acts of 1923, so that said loan will be paid in not more than fifteen years or during such shorter period as the Treasurer and Selectmen may determine and with such maturities as shall be in compliance with Section 8 of said Chapter 44 as amended by Chapter 291, Acts of 1928, and

Further Voted: That the sum of \$6,000 be and is hereby appropriated for water departmental equipment and that said sum be raised by the issue of bonds or notes payable in accordance with section 19, Chapter 44 of the General Laws as amended by Section 2, Chapter 359 of the Acts of 1923 so that the whole loan will be paid in not more than five years or during such shorter period as the Treasurer and Selectmen may determine and with such maturities as shall be in compliance with Section 8 of said Chapter 44 as amended by Chapter 291, Acts of 1928, and

Further Voted: That the bonds or notes authorized by each of the two preceding votes may be issued in separate series or in consolidation, provided the resulting maturities be in compliance with Section 8 of said Chapter 44 as amended by Chapter 291, Acts of 1928, and as so consolidated shall be designated on the face thereof "Weston Water Loan Issue of 1929", shall bear interest at a rate not exceeding four and one-half per cent per annum payable semi-annually, shall be signed by the Town Treasurer and countersigned by at least a majority of the Selectmen, shall state on face thereof that they are exempt from taxation in Massachusetts and shall not be obligatory upon the town without the authenticating certificate thereon of a trust company or national bank to be designated by the Selectmen. Said bonds shall be in coupon form but subject to registration as to

principal and may be sold from time to time by the Town Treasurer under the direction of the Selectmen, at public or private sale, without notice or advertisement, but at not less than par and accrued interest. Premiums received on said bonds less the cost of preparing, issuing and marketing them shall be applied to the principal of the first bond or bonds to mature. All other particulars as to form, issuance and sale shall be determined by the Town Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest of said bonds as they become due, there shall be raised by taxation each year a sum which with the income derived from water rates and charges shall be sufficient to pay said principal and interest coming due in said year until all of said bonds herein authorized have been paid.

This vote was taken by a standing vote; 264 persons voted in the affirmative and 4 in the negative.

Further Voted: That the Selectmen and the Board of Water Commissioners of the Town acting jointly be and hereby are authorized to acquire by purchase or take by eminent domain for the purpose of establishing an additional water supply for the inhabitants of the Town for the protection of the existing water supply, for acquiring water rights and for obtaining locations for laying and re-laying water mains, in accordance with the statutes of the Commonwealth, all or any part of the following described parcels of land, to wit:

(a) A parcel of land bordering on Stony Brook and adjacent to the present water supply of the Town;

(b) A strip of land adequate for the laying and relaying of water mains and running from the pumping station at Kendal Green through land now owned by the town to and under the location of the southern division of the Boston and Maine Railroad, through land owned by Francis B. Sears and/or other persons to Crescent Street and thence to Boston Post Road at a convenient point to connect with the water mains now located in said Boston Post Road;

and said Boards acting jointly are hereby authorized to acquire or take title in fee, easements or such other interest in said parcels of land as they may deem necessary or appropriate for carrying out the purposes of this vote.

This vote was taken by a rising vote; 241-0.

Upon motion of Mr. Ripley, the meeting adopted a vote of appreciation for the generous and public-spirited manner in which Mr. Frank H. Brooks has met a difficult situation.

At 8.50 P.M. it was *Voted*: That this meeting be now dissolved.
Dissolved.

MARCH 25, 1929.

In accordance with section 19 of Chapter 41 of the General Laws, I have this day appointed Mary R. Sheehan Assistant Town Clerk. (Sworn March 25, 1929, by Town Clerk.)

BRENTON H. DICKSON, JR.,
Town Clerk.

Order of Taking Certain Roads in the Town of Weston.

WHEREAS the Selectmen of the town of Weston in the county of Middlesex and Commonwealth of Massachusetts, having complied with all the preliminary requirements prescribed by law, on the 18th day of March, 1929, did adopt an order laying out and by such order did lay out the following as town ways: Dean Road, in part; Locust Road (formerly Laurel Road); Old Colony Road (formerly Westerly Road) in part; Pembroke Road (formerly Upland Road); substantially along the lines of private ways having the same name as shown on a plan entitled "Chiltern Hundreds" by Rowland H. Barnes and Henry F. Beal, dated August 1925, approved by the Selectmen, verified by their signatures and filed together with the said order in the office of the Town Clerk on the said day; and

WHEREAS the said order laying out the said town ways was duly reported to the said town and was duly accepted by the said town at a meeting called for the purpose and held on the 25th day of March, 1929; and

WHEREAS it is necessary to acquire land or interests therein for the purposes of such town ways;

Now, THEREFORE, we the undersigned selectmen of the said town of Weston, acting herein under authority conferred upon us by Chapters 82 and 79 of the General Laws of the Commonwealth of Massachusetts and any amendments thereto, and under any other authority us hereto enabling, do hereby adopt an order of taking of land in behalf of the said town of Weston as follows:

By such order we take an easement for all purposes of town ways and such other sufficient interests for all such purposes in the land described as follows:

On the lines of private ways shown on a plan entitled "Chiltern Hundreds" by Rowland H. Barnes and Henry F. Beal, dated August 1925, a copy of which plan is hereby approved by us, verified by our signatures and adopted as a part of this record.

Said ways are more particularly described as follows:

Locust Road (shown on said plan as Laurel Road) by its southerly side line, beginning at a point on the town line of Wellesley and Weston where such line meets the southwesterly boundary of land now or formerly owned by Ruelberg; thence by varying courses in a general northeasterly direction to the junction of said way with Chiltern Road, as accepted and allowed by the Town of Weston, including at said junction all land not taken by the Town of Weston in laying out, accepting, and taking said Chiltern Road as a town way; thence in a northwesterly direction along the line of said junction approximately 50 feet; thence southwesterly by the northerly side line of said Locust Road by varying courses paralleling the courses of the side line first described to the junction of said way with Dean Road as hereinafter described; thence along the line of said junction in a southerly direction approximately 50 feet to the point of beginning, the said northerly side line of said way being parallel to and 50 feet from said southerly side line throughout its courses.

Dean Road by its westerly side line beginning at a point on the town line of Weston and Wellesley where such line meets the northeasterly boundary of property now or formerly owned by Orde; thence in a general northerly and northwesterly direction by varying courses to the junction of said way with Ridgeway Road, as accepted and allowed by the Town of Weston, including at said junction all land not taken by the Town of Weston in laying out, accepting, and taking said Ridgeway Road as a town way; thence northeasterly along the line of said junction approximately 50 feet; thence by the easterly side line of said Dean Road in a general southeasterly and southerly direction by varying courses to the junction of said way with Locust Road, as hereinbefore described, including at said junction all land not so included in the laying out of said Locust Road; thence along the line of said junction approximately 50 feet to the town line of Weston and Wellesley; thence along said town line to the point of beginning, said westerly side line being parallel to and 50 feet from said easterly side line throughout its courses.

Pembroke Road, shown on said plan as Upland Road, by its northerly side line beginning at a point on property now or formerly owned by Mazzur where

said way joins Glen Road; as accepted and allowed by the Town of Weston; thence by varying courses easterly, northeasterly, southeasterly and northerly to the junction of said way with Old Colony Road (shown on said plan as Westerly Road); thence along the line of said junction approximately 50 feet to the southerly side line of said Pembroke Road; thence by varying courses southerly, southwesterly, and westerly to the junction of said way with Glen Road, as accepted and allowed by the Town of Weston, including at said junction all land not taken by the Town of Weston in laying out, accepting and taking said Glen Road as a town way; thence along the line of said junction to the point of beginning, said southerly side line being parallel to and 50 feet from said northerly side line throughout its courses.

Old Colony Road, shown on said plan as Westerly road, by its southerly side line beginning at a point on the northeasterly corner of property now or formerly owned by Lawless where said way joins unto Pembroke Road, as hereinbefore described; thence along the line of said junction, and including at said junction all land not so included hereinbefore in laying out Pembroke Road, approximately 50 feet; thence by varying courses in a general southeasterly direction to the junction of said way with Ridgeway Road, as accepted and allowed by the Town of Weston, including at said junction all land not taken by the Town of Weston in laying out, accepting and taking said Ridgeway Road as a town way; thence along the line of said junction approximately 50 feet; thence by its northerly side line by varying courses in a northwesterly direction to a point opposite at approximately 50 feet from the junction of said way with the southerly side line of Pembroke Road, as hereinbefore laid out; thence diagonally across said Old Colony Road in a general southwesterly direction to the point of beginning, said northerly side line of said Old Colony Road parallel to and 50 feet from said southerly side line throughout its courses.

Charles W. Hubbard *et als.* trustees, having filed in the office of the Town Clerk of Weston an agreement to indemnify and hold harmless the said town of Weston for all claims of any nature whatsoever arising out of this taking, no awards for damages are made.

The order of taking is hereby made by us this 25th day of March, 1929, and a certified copy hereof is to be recorded in the Registry of Deeds for Middlesex County South District within thirty days hereafter.

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX, SS.

At a meeting of the County Commissioners for the County of Middlesex, holden at Cambridge, within and for said County, on the first Tuesday of January, in the year of our Lord one thousand nine hundred and twenty-nine the inhabitants of Weston in said County, by their petition to said Commissioners — among other matters — pray that Ridgeway Road, Loring Street and a new highway, may be relocated and laid out, as will more fully appear, reference being had to the petition filed of record in the case.

The petition was presented to the County Commissioners at their meeting holden at Lowell, within and for said County, on the first Tuesday of September, A.D., 1927, when and where notice was ordered given to all persons and corporations interested therein of the time and place when and where said Commissioners

would meet for the purpose of viewing the premises and hearing the parties as by their order of notice on file and of record will more fully appear.

And at a subsequent meeting, said relocation and laying out was adjudged to be of common convenience and necessity, and thence said petition has been continued to this time.

And now the said Commissioners make partial return of their proceedings in the premises, as follows: said Commissioners having given notice as the law directs, met at the Court House in said Cambridge on the sixth day of July, in the year nineteen hundred and twenty-eight, when and where the parties appeared, and no person appeared to object.

The premises having been examined, and the parties fully heard, said Commissioners proceeded to relocate said Ridgeway Road, and the following description is a true description of said Ridgeway Road as hereby relocated.

The easterly line begins at a point on the easterly side of said road marked by a stone bound which is at the end of a curve of 298.01 feet radius as established by the town for joining the easterly line of Chiltern Road with said easterly line of Ridgeway Road; thence from said stone bound on a curve of 739.64 feet radius bearing to the left 292.46 feet to a point; thence continuing on said curve 61.68 feet to a point; thence continuing on said curve 49.38 feet to a stone bound marking the point of compound curvature; thence on a curve of 370 feet radius bearing to the left 344.27 feet to a point; thence continuing on said curve 159.22 feet to a spike in a tree; thence N. 38° 37' 30'' W. by two distances, 28.90 feet and 62.71 feet to a stone bound; thence on a curve of 280 feet radius bearing to the right 261.76 feet to a stone bound; thence N. 14° 56' 20'' E. by two distances, 104.54 feet and 128.90 feet to a stone bound; thence on a curve of 800 feet radius bearing to the left 446.57 feet to a stone bound; thence N. 17° 02' 40'' W. 65.65 feet to a stone bound; thence on a curve of 360 feet radius bearing to the right 347.57 feet to a stone bound; thence N. 38° 16' 20'' E. by three distances, 298.36 feet, 104.04 feet and 101.58 feet to a stone bound; thence N. 38° 55' 10'' E. by the following distances, 108.81 feet, 6.65 feet, 397.69 feet and 590.28 feet to a stone bound; thence on a curve of 83.74 feet radius bearing to the right 90.15 feet to a stone bound in the southerly line of South Avenue.

The westerly line begins at a stone bound opposite to and 50 feet distant from the point of beginning of the above described easterly line and is thence parallel to and 50 feet distant from said easterly line until it comes to a point of curvature near South Avenue where it joins said South Avenue with a curve of 29.85 feet radius, length 61.64 feet, the point of curvature being marked by stone bounds. The above description is intended to conform to a plan entitled —

“Plan Showing
Relocation and Widening of
Ridgeway Road
From South Ave. to Chiltern Rd.
Weston, Mass.
Scale 1 in. = 40 ft.
Rowland H. Barnes and Henry F. Beal
Civil Engineers — Newton and Waltham
May 1928”

By reason of said relocation, lands are taken from the following named persons to the amount set against their respective names and as shown by the plan:

Charles W. Hubbard, Parcel # 1, easterly side . . .	about 3,104 sq. ft.
Charles W. Hubbard, Parcel # 2, easterly side . . .	about 4,030 sq. ft.
Charles W. Hubbard, Parcel # 3, easterly side . . .	about 7,696 sq. ft.
Charles W. Hubbard, Parcel #4, easterly side . . .	about 7,700 sq. ft.
Charles W. Hubbard <i>et als.</i> , Trustees, Parcel #1, westerly side . . .	about 1,920 sq. ft.
Charles W. Hubbard <i>et als.</i> , Trustees, Parcel #2, westerly side . . .	about 23 sq. ft.
Charles W. Hubbard <i>et als.</i> , Trustees, Parcel #3, westerly side . . .	about 3,200 sq. ft.
Gordon Donald, westerly side . . .	about 7,760 sq. ft.
Dorothy M. Courtney, westerly side . . .	about 11,500 sq. ft.
Angelica Heath, westerly side . . .	about 3,220 sq. ft.
R. B. Bidwell (Land Court Case #8524 Lot E) easterly side, Parcel #1 . . .	about 31 sq. ft.
R. B. Bidwell (Land Court Case #8524 Lot E) easterly side, Parcel #2 . . .	about 13/100 sq. ft.
R. B. Bidwell (Land Court Case #8524 Lot E) easterly side, Parcel #3 . . .	about 2,941 sq. ft.
Frank H. Allison (Land Court Case #8524 Lot B) easterly side . . .	about 437 sq. ft.

The above parcels, together with any trees or any property which may exist upon said lands, are hereby taken for highway purposes.

The Commissioners estimate that no damages are sustained and none are awarded.

The town of Weston shall pay all damages, costs and expenses which any party may by legal process obtain in consequence of this relocation, and said damages, costs and expenses are assessed upon the said town of Weston.

The purpose of this order is to relocate said highway from near its junction with Chiltern Road, in said Weston, to South Avenue, at a width of fifty (50) feet. The lines joining Ridgeway Road with Chiltern Road have been established by the town, and the same lines are hereby established as shown by the plan.

The said town of Weston shall cause entry to be made to take possession of all the lands included in the highway as thus relocated and shall also render said highway within the relocated lines safe and convenient for travel before January 1, 1931.

The highway as thus relocated is declared a public highway.

IN WITNESS WHEREOF, WE, the said County Commissioners have hereunto set our hands this twelfth day of April in the year of our Lord one thousand nine hundred and twenty-nine.

At a meeting of the County Commissioners of the County of Middlesex, holden at Cambridge, within and for said County, on the first Tuesday of January A.D., 1929, to wit: by adjournment thereof at said Cambridge on the tenth day of May, 1929.

In the matter of the relocation of Ridgeway Road, in the town of Weston, in said County, in which said Commissioners made a return of their proceedings dated April 12, 1929, it appears that in the description of the land taken an error was made in stating that land was taken from R. B. Bidwell (Land Court Case #8524 Lot E), etc., and from Frank H. Allison (Land Court Case #8524 Lot B). And, now said Commissioners amend and correct said return by substituting in place of the name of R. B. Bidwell wherever said names appear, the following:

Josephine S. Bidwell (Registered Land Certificate No. 23,283) Easterly side of road, Parcel No. 1	about 31 sq. ft.
Josephine S. Bidwell (Registered Land Certificate No. 23,283) Easterly side of road, Parcel No. 2	about 13/100 sq. ft.
Josephine S. Bidwell (Registered Land Certificate No. 23,283) Easterly side of road, Parcel No. 3	about 2,941 sq. ft.

Also in place of the Frank Allison taking, the following is substituted.

Frank H. Allison (Registered Land Certificate No.

13,547) Easterly side of road about 437 sq. ft.

In all other respects said return of April 12, 1929, remains unaltered.

IN WITNESS WHEREOF, WE, the said County Commissioners have hereunto set our hands this tenth day of May in the year of our Lord one thousand nine hundred and twenty-nine.

THIS INDENTURE made this thirteenth day of June, A.D. 1929, by and between the Town of Weston, a municipal corporation within the County of Middlesex and Commonwealth of Massachusetts, party of the first part, and the Commonwealth of Massachusetts, acting through its Metropolitan District Commission, party of the second part.

WITNESSETH, That the party of the first part by virtue and in pursuance of the power and authority conferred upon it by the provisions of Section 87 of Chapter 92 of the General Laws, and of every other power and authority hereto in any way enabling, and in consideration of one dollar paid by said party of the second part, the receipt whereof is hereby acknowledged, does hereby transfer unto said party of the second part, free from rent, for a period of nine hundred ninety-nine (999) years from the date of these presents, unless said term is sooner terminated as here-

inafter provided, the care and control, including police protection, of a certain parcel of land situated in said Weston in the County of Middlesex and Commonwealth of Massachusetts, bounded and described as follows:

Beginning at a stone bound set in the westerly side-line of Park Road (so-called) at land now or formerly of Manley Seaverns;

Thence the line runs in a general southwesterly direction five hundred forty (540) feet more or less to a stone bound;

Thence turning and running in a general southwesterly and southerly direction by a line curving to the left with a radius of four hundred forty-six and $36/100$ (446.36) feet, two hundred fifteen and $41/100$ (215.41) feet to a stone bound;

Thence turning and running in a general southerly direction three hundred sixty-six (366) feet more or less to a point;

Thence continuing in a general southerly direction by a line curving to the left with a radius of one thousand eight hundred sixty and $76/100$ (1,860.76) feet, fifty-two (52) feet more or less to Intervale Road; the last four (4) courses and distances by said Park Road;

Thence turning and running in a general westerly direction by said Intervale Road one thousand twenty (1,020) feet more or less to a point in the southeasterly side line of the location of the Boston and Albany Railroad;

Thence turning and running northeasterly eighty-eight (88) feet more or less to a stone bound;

Thence turning and running easterly eighty-nine and $77/100$ (89.77) feet to a stone bound;

Thence turning and running in a general northeasterly direction by a line curving to the right with a radius of one thousand seven hundred fifty-four and $19/100$ (1,754.19) feet, four hundred ninety-six and $24/100$ (496.24) feet to a stone bound;

Thence turning and running in a general northeasterly direction by a line curving to the right with a radius of one thousand three hundred forty-three and $18/100$ (1,343.18) feet, four hundred and $9/100$ (400.09) feet to a stone bound;

Thence turning and running in a general northeasterly direction by a line curving to the right with a radius of two thousand six hundred twenty-six and $5/100$ (2,626.05) feet, five hundred seventy-eight and $26/100$ (578.26) feet to a stone bound at said land of Seaverns; the last five (5) courses and distances being by said side line of said location;

Thence turning and running southeasterly by said land of Seaverns one hundred twenty-three and $29/100$ (123.29) feet to the stone bound first mentioned and the point of beginning; containing fifteen and $3/100$ (15.03) acres more or less and being shown on a plan entitled "Commonwealth of Massachusetts, Metropolitan District Commission, Parks Division, Charles River Reservation, Plan of Park Lands of the Town of Weston on Park Road from Intervale Road to Boston & Albany Railroad to be transferred to the Metropolitan District Commission for Care and Control . . . April 15, 1929, Edwin H.

Rogers, Director of Park Engineering," being numbered Accession 17,953, the original of which is on file at the office of said Metropolitan District Commission and a copy of which is hereto annexed and to which reference is hereby made for a further description.

It is hereby understood and agreed by the parties hereto that this indenture may be terminated by either party hereto by giving five (5) years written notice to the other party of such intention.

The said party of the second part, acting by virtue of and in pursuance of the power and authority conferred upon it by said Section 87 of Chapter 92 of the General Laws, does hereby accept the care and control, including police protection, of the above described premises.

IN WITNESS WHEREOF, on the day and year first above written, the said Town of Weston by its Selectmen, hereunto duly authorized, has caused its corporate seal to be hereto affixed and these presents and another instrument of like tenor to be signed in its name and behalf by said Selectmen, and the said Commonwealth of Massachusetts has caused these presents and another instrument of like tenor to be signed in its name and behalf by a majority of its said Metropolitan District Commission, who do therefore hereunto set their hands and seals, without, however, incurring any possible personal liability.

At a meeting of the County Commissioners for the County of Middlesex, holden at Cambridge, within and for said County, on the first Tuesday of June, in the year of our Lord one thousand nine hundred and twenty-nine the inhabitants of Weston in said County, by their petition to said Commissioners — among other matters — pray that South Avenue may be relocated and specifically repaired as will more fully appear, reference being had to the petition filed of record in the case.

The petition was presented to the County Commissioners at their meeting holden at Cambridge, within and for said County, on the first Tuesday of January, A.D. 1926, when and where notice was ordered given to all persons and corporations interested therein of the time and place when and where said Commissioners would meet for the purpose of viewing the premises and hearing the parties as by their order of notice on file and of record will more fully appear.

And after due proceedings, said Commissioners relocated portions of said highway and directed specific repairs thereon as appears by their returns of record, the last return being dated June 15, 1928, and thus said petition has been continued to this time.

And now the said Commissioners make further return of their proceedings in the premises, as follows: said Commissioners having given notice as the law directs.

The premises having been examined, and the parties fully heard, said Commissioners proceeded to direct further specific repairs from the easterly end of the work completed in 1928 towards a place called Cutter's Corner where South Avenue intersects Newton Street, in the manner following, to wit: —

Said highway shall be graded, surfaced with bituminous macadam and otherwise improved in accordance with a memorandum of agreement and specifications contained in a contract to be made by the Selectmen of Weston under the direction of the Department of Public Works of the Commonwealth, copies of said agreement and of said contract to be filed in the office of said Commissioners.

In general, on a suitably prepared subgrade of gravelly material well-drained, bituminous macadam is to be constructed for a width of at least twenty feet, six inches in thickness and other work performed in accordance with specifications to which reference has been made.

On the completion of the work to the satisfaction of the Department of Public Works and said Commissioners, the County shall pay one-third of the cost of the work done, but not exceeding the sum of nine thousand dollars (\$9,000).

The work shall proceed forthwith and be completed by October 1, 1929.

The said town of Weston shall pay all damages, costs, and expenses which any party may by legal process obtain in consequence of this order of specific repairs.

The estimated length to be improved is about 3,200 feet.

IN WITNESS WHEREOF, WE, the said County Commissioners have hereunto set our hands this fourteenth day of June in the year of our Lord one thousand nine hundred and twenty-nine.

Town Clerk.

Golden Ball Road

We the undersigned, Selectmen of Weston, gave written notice of our intention to lay out Golden Ball Road as a town way, such notice requiring all persons interested to appear before us at our rooms in the Town Hall on Monday, June 24, 1929, at 8 o'clock P.M.; and caused such notice to be served according to law by a constable of this town at least seven days before the day so appointed for the hearing upon Homer F. Whittemore, Thomas W. Scott, Cyrus Clark, Bessie A. Compton, Adelaide A. Cole,

Evelyn Small, P. J. McAuliffe, J. M. Schwartz, Melvin B. Sherman, Ralph F. Jones, Mary C. Warren, John B. Paine, *et al.*, trustees under the will of Charles J. Paine and Benjamin H. Shaw, being all the parties known to us from whom land is taken or who may be interested in the subject matter; and gave notice to them and to all other persons and corporations, if any, who may be interested in the subject matter, whose names are not known to us, by posting up a true and attested copy of such notice in a public place in the town seven days at least before the day appointed for the hearing.

Pursuant to such notice we met at the time and place appointed for the hearing; and, after such hearing, and after having viewed and examined the route of the said way as hereinafter described, we do adjudge that common convenience and necessity require that the said way be laid out, and it is hereby so laid out.

The said way as laid out is described as follows:

The easterly side line begins at a point on the south side of Boston Post Road 68.42 feet west from a Massachusetts Highway bound; thence on a curve of 30 feet radius to the left 42.74 feet; thence south 5 deg. 47 min. east 642.29 feet; thence on a curve of 663.63 feet radius to the right 217.08 feet; thence south 12 deg. 57 min. 30 sec. west 430.18 feet; thence on a curve of 561.16 feet radius to the right 202.41 feet; thence south 33 deg. 37 min. 30 sec. west 480.42 feet to a point on land of the trustees under the will of Charles J. Paine; thence north 56 deg. 50 min. 10 sec. west 244.06 feet; thence on a curve of 80 feet radius to the left 161.95 feet to a point on the east side of Chestnut Street.

The westerly side line begins at a point on the south side of Boston Post Road 59.55 feet east from a Massachusetts Highway bound; thence on a curve of 30 feet radius to the right 51.50 feet; thence south 5 deg. 47 min. east 626.58 feet; thence on a curve of 623.63 feet radius to the right 203.99 feet; thence south 12 deg. 57 min. 30 sec. west 430.18 feet; thence on a curve of 521.16 feet radius to the right 187.98 feet; thence south 33 deg. 37 min. 30 sec. west 381.04 feet; thence on a curve of 50 feet radius to the right 78.20 feet; thence north 56 deg. 50 min. 10 sec. west about 322 feet to a point on the east side of Chestnut Street.

The above courses are reckoned from the magnetic meridian of the Boston Post Road locations. Stone bounds shall be placed to mark the lines described.

The above description is intended to conform to a plan, upon which the above described lines are shown in red, entitled "Town of Weston, Massachusetts, Plan and Profile of Golden Ball Road, June 15, 1929, George W. Cutting, Jr., Engineer", which plan is hereby approved by us, verified by our signatures and adopted as a part of this record.

We take an easement and other necessary interests in the land included in the taking for all purposes of a town way. Trees within the limits of the taking are taken.

In consideration of the laying out and its acceptance by the Town, all the land owners have waived their claims to damages.

The said way so laid out is hereby reported to the Town for acceptance; and when so accepted, allowed and recorded is to be called Golden Ball Road.

The said plan and this record are this day filed by us in the office of the Town Clerk.

TOWN CLERK, WESTON, MASS.

JULY 3, 1929.

Dear Sir: At a special meeting of the Board of Selectmen held on June 24, 1929, Arthur A. Morrison, Massachusetts Broken Stone Company, was appointed a weigher of stone.

At a meeting of the Board on July 3rd, John A. Cain, Jr., was appointed a police officer to serve, without pay, until the next annual Town Meeting. (Sworn July 3rd, 1929 by Mary R. Sheehan, N.P.)

Yours truly,

HERBERT E. TYLER,
Chairman, Board of Selectmen.

Received and recorded July 3, 1929.

BRENTON H. DICKSON, Jr.,
Town Clerk.

Town Warrant.

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on FRIDAY, THE TWELFTH DAY OF JULY, 1929, at 7.30 o'clock, P.M. to act on the articles of this warrant.

ARTICLE 1. To determine whether the town will vote to accept and allow as a public way a certain road known as Golden Ball Road as shown on a plan by Geo. W. Cutting, Jr., dated June 15, 1929, on file in the office of the town clerk and as laid out by the Selectmen and set forth in their order.

ARTICLE 2. To consider and act on any recommendations of the Board of Water Commissioners either as set forth in their report as printed and distributed through the town prior to the annual town meeting held March 25, 1929, or as presented orally to this meeting; to authorize the transfer of unexpended balances of appropriations for expenses previously authorized in connection with the water system; to appropriate money for extensions, alterations, improvements or additions to the water system of the town; to alter, amend or repeal any or all votes passed under Article IX of said annual town meeting held March 25, 1929; and to raise by borrowing or otherwise such funds as may be necessary to carry out all votes of the town under this article and to issue bonds, notes or other evidences of indebtedness therefor.

ARTICLE 3. To see if the Town will appropriate the sum of one thousand dollars, or any other sum, as an additional appropriation for the current year, to be expended under the direction of the Board of Fire Engineers for the use of the Fire Department, including repairs to the fire alarm system.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town, namely, at the town house, at the Kendal Green post office, and on the town bulletin board at the junction of South Avenue and Newton Street

and Park Road seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this third day of July in the year of our Lord one thousand nine hundred and twenty-nine.

HERBERT E. TYLER,
B. LORING YOUNG,
BRENTON H. DICKSON, JR.,
Selectmen of the Town of Weston.

Pursuant to the above warrant, I have notified and warned the inhabitants of the Town of Weston according to order.

J. SUMNER VILES,
Constable.

Special Town Meeting, July 12, 1929.

In pursuance of the foregoing warrant, the inhabitants of the town qualified to vote in elections met in the Town Hall on Friday, July 12, 1929 at 7.30 o'clock P.M. and were called to order by Brenton H. Dickson, Jr., Town Clerk. A quorum not being present, a recess was taken until 7.40 P.M. when, a quorum then being present, the Moderator called the meeting to order. The Town Clerk read the warrant calling said meeting and the return of the officer who served the same upon the inhabitants.

ARTICLE 1. *Voted:* That the town accept and allow as a town way Golden Ball Road as shown on a plan entitled "Town of Weston, Massachusetts, Plan and Profile of Golden Ball Road, June 15, 1929, George W. Cutting, Jr., Engineer" on file in the office of the Town Clerk and as laid out by the Selectmen on June 24, 1929.

ARTICLE 2. *Voted:* That the third vote passed under Article 9 of the warrant for the annual town meeting held March 25, 1929, be and it hereby is amended by striking out the figure \$114,000 wherever it appears in said vote and inserting in place thereof the figure \$128,000; by striking out the figure \$6,000

wherever it appears in said vote and inserting in place thereof the figure \$8,000; and by striking out the words "four and one-half per cent." and inserting in place thereof the words "five per cent." so that said vote as amended shall read and be effective as follows:

Voted: That the sum of \$128,000 be and is hereby appropriated to be expended by the Board of Water Commissioners for the following purposes, to wit:

For acquiring land and/or easements in land by eminent domain or otherwise,

For additional driven wells with the proper piping to the present pumping station,

For laying water mains of not less than six inches but less than sixteen inches in diameter and that the said sum of \$128,000 so appropriated be raised by the issue of bonds or notes of the town payable in accordance with section 19, chapter 44 of the General Laws as amended by section 2, chapter 359 of the Acts of 1923, so that said loan will be paid in not more than fifteen years or during such shorter period as the Town Treasurer and Selectmen may determine and with such maturities as shall be in compliance with section 8 of said chapter 44 as amended by chapter 291, Acts of 1928, and

Further Voted: That the sum of \$8,000 be and is hereby appropriated for water departmental equipment and that said sum be raised by the issue of bonds or notes payable in accordance with section 19, chapter 44 of the General Laws as amended by section 2, chapter 359 of the Acts of 1923 so that the whole loan will be paid in not more than five years or during such shorter period as the Treasurer and Selectmen may determine and with such maturities as shall be in compliance with section 8 of said chapter 44 as amended by chapter 291, Acts of 1928, and

Further Voted: That the bonds or notes authorized by each of the two preceding votes may be issued in separate series or in consolidation, provided the resulting maturities be in compliance with section 8 of said chapter 44 as amended by chapter 291, Acts of 1928, and as so consolidated shall be designated on the face thereof "Weston Water Loan Issue of 1929", shall bear interest at a rate not exceeding five per cent per annum payable semi-annually, shall be signed by the Town Treasurer and countersigned by at least a majority of the Selectmen, shall state on face

thereof that they are exempt from taxation in Massachusetts and shall not be obligatory upon the town without the authenticating certificate thereon of a trust company or national bank to be designated by the Selectmen. Said bonds shall be in coupon form but subject to registration as to principal and may be sold from time to time by the Town Treasurer under the direction of the Selectmen, at public or private sale, without notice or advertisement, but at not less than par and accrued interest. Premiums received on said bonds less the cost of preparing, issuing and marketing them shall be applied to the principal of the first bond or bonds to mature. All other particulars as to form, issuance and sale shall be determined by the Town Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest of said bonds as they become due, there shall be raised by taxation each year a sum which with the income derived from water rates and charges shall be sufficient to pay said principal and interest coming due in said year until all of said bonds herein authorized have been paid. This vote was taken by a rising vote — 42 persons voting in the affirmative and none in the negative.

ARTICLE 3. *Voted:* That the sum of \$1,000 be appropriated from any money in the Treasury not otherwise appropriated for repairs and extensions of the fire alarm system.

At 8.04 P.M. it was *Voted:* That the meeting be now dissolved. Dissolved.

A true record.

Order of Taking Golden Ball Road, Weston, Middlesex County, Massachusetts.

WHEREAS, The Selectmen of Weston, having complied with all the preliminary requirements prescribed by law, on June 24, 1929, did adopt an order laying out and by such order did lay out a town way to be called Golden Ball Road as shown on a plan entitled "Town of Weston, Massachusetts, Plan and Profile of Golden Ball Road, June 15, 1929, George W. Cutting, Jr., Engineer" approved by the Selectmen, verified by their signatures, adopted

as a part of said order, and filed together therewith in the office of the Town Clerk on June 24, 1929; and

WHEREAS, the said order laying out Golden Ball Road was duly reported to the town and was duly accepted by the town at a meeting called for that purpose and held on July 12, 1929; and

WHEREAS, it is necessary to acquire land or interests therein for the purposes of such town way;

NOW THEREFORE, we, the Selectmen of Weston, acting under the authority conferred upon us by General Laws, Chapter 82 and 79 and any amendments thereto and under any other authority conferred upon us, do hereby adopt an order of taking of land in behalf of the town, whereby we take an easement and other necessary interests for all the purposes of a town way in the land included within the side lines of said way as located in the said layout made by us, the said side lines being described as follows:

The easterly side line begins at a point on the south side of Boston Post Road 68.42 feet west from a Massachusetts Highway bound; thence on a curve of 30 feet radius to the left 42.74 feet; thence south 5 deg. 47 min. east 642.29 feet; thence on a curve of 663.63 feet radius to the right 217.08 feet; thence south 12 deg. 57 min. 30 sec. west 430.18 feet; thence on a curve of 561.16 feet radius to the right 202.41 feet; thence south 33 deg. 37 min. 30 sec. west 480.42 feet to a point on land of the trustees under the will of Charles J. Paine; thence north 56 deg. 50 min. 10 sec. west 244.06 feet; thence on a curve of 80 feet radius to the left 161.95 feet to a point on the east side of Chestnut Street.

The westerly side line begins at a point on the south side of Boston Post Road 59.55 feet east from a Massachusetts Highway bound; thence on a curve of 30 feet radius to the right 51.50 feet; thence south 5 deg. 47 min. east 626.58 feet; thence on a curve of 623.63 feet radius to the right 203.99 feet; thence south 12 deg. 57 min. 30 sec. west 430.18 feet; thence on a curve of 521.16 feet radius to the right 187.98 feet; thence south 33 deg. 37 min. 30 sec. west 381.04 feet; thence on a curve of 50 feet radius to the right 78.20 feet; thence north 56 deg. 50 min. 10 sec. west about 322 feet to a point on the east side of Chestnut Street.

The above courses are reckoned from the magnetic meridian of the Boston Post Road locations. The above description is intended to conform to the plan above mentioned, upon which the

above described lines are shown in red, and to which reference is hereby made.

Trees within the limits of the taking are taken.

All persons having agreed to waive their claims to damages, no awards for damages are made.

This order of taking is hereby made by us July 12, 1929, and a certified copy hereof, and a copy of the said plan, are to be recorded in the Registry of Deeds for Middlesex County, South District, within thirty days hereafter.

Order of Taking of Easement in Land of Francis B. Sears for Water Purposes.

We, the Selectmen and Water Commissioners of Weston, Middlesex County, Commonwealth of Massachusetts, acting under the authority conferred upon us by law, and under the authority and instructions given us by a vote of the Town at a

Town Meeting on March 25, 1929, and deeming that the public necessity and convenience require it, do hereby adopt an order whereby we take in behalf of the Town an interest, as more particularly described hereinafter, in the following described parcel of land, believed by us to be owned by Francis B. Sears:

A strip of land 20 feet in width, being 10 feet on either side of a line beginning at a point in the northeasterly line of Crescent Street 10 feet northwesterly of a stone bound marking the corner of land of said Sears; said middle line of the strip thence running parallel to said Sears line in a northeasterly direction 289 feet; thence north 28 degrees 30 minutes east 314 feet to a point; thence north 53 degrees east 456.32 feet to a point; thence north 15 degrees 09 minutes east 721.48 feet to a point; thence north 31 degrees 35 minutes east 223.72 feet to a point on the property line of Boston & Maine Railroad and F. B. Sears, said point being about 80 feet southeast of intersection of stone wall and barbed wire fence of said railroad. Said strip of land contains about 40,090 square feet. All of the bearings given are referred to magnetic meridian of 1929.

The above description is intended to conform to a plan entitled "Town of Weston, Mass. Proposed Location of 12" Force Main, Scale 100 ft. to 1 in. June 1929. Metcalf & Eddy, Engineers, Boston, Mass." which plan is hereby approved by us, verified by our signatures, and adopted as a part of this record.

We hereby take in the land above described an easement and all other interests and rights which may be necessary and/or convenient for the purpose of enabling the Water Commissioners or those acting under their authority, in behalf of the Town, and its successors and assigns, to do in or upon such land any acts, and to lay, construct, affix, repair, replace and maintain therein or thereon, either temporarily or permanently, any pipes, mains, articles and structures, necessary and/or convenient to secure the passage of water for the Town water system through or over such land. We do not take any right or interest in such land not inconsistent with the foregoing purpose.

Trees and structures upon such land are taken only so far as may be necessary and/or convenient to effectuate the purpose above described.

We award to Francis B. Sears the sum of \$500.00 as damages caused by this taking, to be paid to him by the Town.

This order of taking is hereby made by us August 5, 1929, and a certified copy hereof and a copy of said plan, are to be recorded in the Registry of Deeds for Middlesex County, South District, within thirty days hereafter.

At a meeting of the County Commissioners for the County of Middlesex, holden at Lowell, within and for said County on the first Tuesday of September in the year of our Lord one thousand nine hundred and twenty-nine.

Whereas, it appears that the Commonwealth and the Town of Weston have agreed to repair South Avenue in said Town, which was recently constructed by reason of orders for specific repairs made by the County Commissioners, and by reason of an Agreement made between the said Town and the Commonwealth through its Department of Public Works; and a portion of said highway has settled so as to make the road unsafe for travel and it was necessary to regrade, fill and resurface said highway.

Now, therefore, under the provisions of Chapter 120 of the Acts of 1921, said Commissioners direct that the County shall pay towards the cost of said repairs which are being accomplished under the direction of the Department of Public Works of the Commonwealth, such proportion of said cost as the Commonwealth pays, on the certificate from the Department of Public Works showing the cost of said work and the County's proportion thereof.

The work shall proceed forthwith and be completed as soon as practicable.

At a meeting of the County Commissioners for the County of Middlesex, holden at Lowell, within and for said County on the first Tuesday of September in the year of our Lord one thousand nine hundred and twenty-nine.

In the matter of the relocation and specific repairs of South Avenue, in Weston, in which matter said Commissioners have made several returns relating to said highway, it appears that by a return dated June 15, 1928, the said Commissioners directed said highway relocated and that one-third of the cost of the construction incident to the relocation and specific repairs, but not exceeding the sum of \$12,500.00, was assessed to be paid by the County to the Town of Weston.

And now it appears that the cost of said improvement was in excess of \$37,500.00; namely, \$42,711.07. And said Commissioners, after consideration, finding that the Commonwealth is paying one-third of the deficit of \$5,211.07 due to the work and that the Town is paying one-third, do hereby order that the County shall pay to the Town of Weston the sum of \$1,737.02, being the balance of the additional cost of said work.

IN WITNESS WHEREOF, WE, the said Commissioners have hereunto set our hands this eighth day of October in the year of our Lord one thousand nine hundred and twenty-nine.
